Will pay for itself over hand mixing in 30 days. Complete, with 2 1/2 h.p. Gasoline Engine, as shown in illustration. Price, \$290.

The London Automatic Batch Mixer No. 1

A Concrete Silo built on a set of the London Adjustable Silo Curbs

The London Face-Down Concrete Block Machine

Blocks for all widths of wall made in the same mould. Blocks for all widths of wall made on the one pallet. **Any size of core opening** can be made in the block, thus meeting any architectural requirement. This machine makes every size and design of block; also makes our patent block for erecting the **Sealed Airtight Concrete Silo**, now so much in demand. Price, 8x8x16 inches, outfit complete, \$75. Your money refunded if not satisfied after 30 days' trial. (Note illustration of house, New Liskeard, built of concrete block, made by London Face-Down Concrete Block Machine.)

House built in New Liskeard of blocks made by the London Face-Down Block Machine

The Standard Gas and Gasoline Engine

Is designed to be used on all classes of work and to stand hard usage; particularly adapted to farm work, has few working parts, simple in operation, with excessive power, all wearing parts extra heavy and of best material obtainable. No tanks to fill, no pumps to freeze or pipe connections, but little water required. Gasoline contained in base of engine, **ensuring absolute safety** from fires. Every engine is sold under guarantee of perfect satisfaction under all conditions. Price, \$85 up, according to size. (See catalogue.)

Write to-day for catalogue containing full descriptions and price lists of all our machines. It will pay you to get it.

This Well-Drilling Machine

Earns Big Money for the Man Who Owns One

Why not be the "well-driller" in your neighborhood. The driller pays for itself very quickly, then keeps on earning easy money for you. Drills either deep or shallow wells in any kind of soil or rock. Get our free proposition and full particulars before your neighbor gets busy. Write today.

ONTARIO WIND ENGINE & PUMP CO., LIMITED
Winnipeg TORONTO Calgary

We supply Well Casings and General Deep Well Supplies or all kinds. Write for prices.

The "BISSELL" out-throw DISK HARROW

To settle all doubt about which is the **BEST OUT-THROW DISK HARROW**, we ask you to test the "Bissell" Out Throw in a field competition with other Out Throw Harrows.

The "Bissell" Out Throw has many features that have made the name "Bissell" famous in connection with Disk Harrows. It has plates of the correct shape. One gang is set slightly ahead of the other. The gangs cannot crowd or bump together and cause the Harrow to rock when you come to hard soil—a new feature in Out Throw Harrows. The hitch is well back, the draught is light and there is no neck weight.

The machine in actual use is our best advertisement. No need to send special travellers to sell the "Bissell." We put our name on every Harrow. If you would like to learn more about Disk Harrows, send to Dept W for free booklet of both out-throw and in-throw styles. 58

Repeating Shotguns

\$19.50 to \$95.00

repeating shotguns are made in 12 and 16 gauges (6 shots,) solid frame and take-down, many grades and styles, with special models for trap and field shooting, etc. The most extensive line of repeating guns in the world.

Every **Marlin** repeating shotgun has the **Marlin** solid top, side ejector and closed-in breech. It can't freeze up with rain, snow or sleet; rain can't run into the action and swell the shells in magazine; dirt, leaves, twigs and sand are also excluded from the action. Simple, strong mechanism; one-third less parts than any other repeater. The double extractors pull any shell. Handles rapidly, guaranteed in shooting ability—and the automatic recoil safety lock makes it the safest breech loading gun built. Be sure you get a **Marlin**.

DO IT NOW! Send three stamps postage and get our big catalog of all **Marlin** repeating rifles and shotguns by return mail.
