THOUGHT SHE WOULD SURELY DIE

HAD PAINS AROUND THE HEART AND SMOTHERING FEELINGS

Mrs. Wm. Lee, Uthoff, Ont., writes:—"I have taken three boxes of Milburn's Heart and Nerve Pills, and am now well. I had such pains around my heart and such smothering feelings that I thought I would surely die. My head used to be propped up with pillows to keep me from smothering. One day I read in a paper about your Milburn's Heart and Nerve Pills, and three boxes cured me."

Milburn's Heart and Nerve Pills are a specific for all run-down men and women, whether troubled with their heart or nerves, and are recommended by us with the greatest confidence that they will do all we claim for them.

Price 50 cents per box, or 3 boxes for \$1.25, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

"I'll take it, of course," said the puzzled lady; "but, Mandy, won't you be needing your money to spend on your honeymoon?"

"Miss May," said the bride, "does you think Ise goin' to trust myse'f wid a strange nigger and all dat money on me?"

GOSSIP.

A CORRECTION.

In the advertisement in our issues of 12th and 19th September of the auction sale of milking Shorthorns, stockers and feeders, Clydesdales, etc., to take place on September 27th, the property of S. J. Scott, Ancaster, Ont., the farm was said to be on the Hamilton and Buffalo line, whereas it should have read on the Hamilton and Brantford Electric line. Parties interested will please make a note of this.

Hodgkinson & Tisdale, proprietors of the well-known Simcoe Lodge stud, Beaverton, Ont., where Clydesdales and Percherons of the highest order are bred, as well as imported, write that they had a good fortnight's business at the Toronto Exhibition this season, and made the following sales: To David Jackson, Pond Mills, Ont., the grand two-year-old imported Percheron stallion, Kossuth 3003 (91115). Although this horse was in anything but show condition, he succeeded in winning third prize at Toronto in a very large class, and was second at London the week following. Kossuth is a gray in color, with the very best kind of feet and legs, a wonderful heavy, well-proportioned top, set off by a beautiful head and neck. He is a sensational actor, going high, fast, and straight. His breeding is the best, being a grandson of that famous stock horse, Romeo (1409) (27275) (44085). Mr. Jackson is to be complimented on his selection. To Gordon S. Gooderham, Manor Farm, Bedford Park, Ont., a beautiful matched pair of Percheron fillies, Krapulette 2953 (92132), and Kapeline 2957 (89949). They are both dark grays, choke full of quality, with lots of size, and are a great pair of movers. They both have been prominent prizewinners in France and Canada. In this pair Mr. Gooderham has the foundation to form a high-class Percheron stud. To Joseph Kilgour, of North Toronto, the Clydesdale filly foal Patricia, out of a mare by that good - breeding horse, Argosy 4904 (11247). Patricia is a very large, promising foal, of high quality. Also the Hackney filly foal, The Duchess. The Duchess is one of the sweetest foals we have seen for a long time, and will no doubt be heard of later in the showing. To John D. Campbell, of Harrison, Ont., Lady Favourite, a two-year-old Canadian-bred Clydesdale filly of exceptional quality. She won in her class at the Toronto Exhibition in stiff company. She is out of General Favourite, the sire of the last year's Canadian-bred champion stallion.

TRADE TOPIC.

SAMPLE DISTRIBUTION OF AMATITE ROOFING.—The manufacturers of Amatite ask us to say that they are ready to distribute samples of their roofing to anyone who is interested in the new type of roofings. Anybody can obtain one of these samples by simply addressing a request for it to the nearest office of The Patterson Mfg. Co., Limited, Montreal, Toronto, Winnipeg, Vancouver, St. John, N. B.; Halifax, N. S. This sample serves to show the mineral surface of Amatite, which is its great unique feature. By this mineral surface, Amatite eliminates the painting nuisance. You lay Amatite on the roof, leave it alone, and it will take care of itself year after year. It needs no painting or attention. Of course, this reduces the total roofing expenses considerably, for nobody who has had experience with the ordinary smooth-coated roofing is willing to consider that paint is cheap. It might be expected that Amatite would cost more than the smooth-coated roofings, but its price, in fact, is somewhat lower than roofs of the old type. If you are interested in roofings, Amatite is worth remembering. See the advertisement in this issue, and write for sample.
