

# Concrete Houses

MADE OF

## Hollow Concrete Building Blocks

on the PALMER MACHINE are most popular.

- 1.—The blocks are easily made of cement, sand and water.
- 2.—They last forever.
- 3.—They will not crack under any heat.
- 4.—They require no paint nor repairs.
- 5.—They are fire, frost and vermin proof.
- 6.—They are warm in winter, cool in summer.
- 7.—The houses are rapidly put up, as each block takes up two square feet of wall surface.

State price and quality of sand; give dimensions of buildings you purpose erecting, and we will furnish an estimate of cost for you.

We are Sole Agents for Manitoba and the Territories for the H. S. PALMER MACHINES. We give exclusive right to use, operate and sell them in a block of four townships. Write us to-day for full information.

## SELF-EDUCATION

The time is now upon us where the salaried worker is compelled to be advanced in order to hold his position. You can double your present salary, make your work easier, and work around your fellow workmen by a few hours' study occasionally by our Self-educational Books. The authors of these books are not college professors, but men holding very responsible positions, and they teach from daily experience in plain, easy, every-day language, so plain a mere Child could readily understand. Why pay \$25.00 to \$100.00 for a Class or Correspondence Course when we give you Practical, expert, easy-to-master knowledge in Book form for \$1.00 or \$2.00, with the privilege of corresponding with the authors in regard to questions and examinations, gratis. We have thousands of testimonials from our students claiming any one of our books are worth more than any \$100.00 Correspondence Course. **OUR GUARANTEE:** We return your money, pay all expense involved to and from your home if our books are not as represented. Illustrated literature FREE, giving full information on request.

## Paint! Paint!! Paint!!!

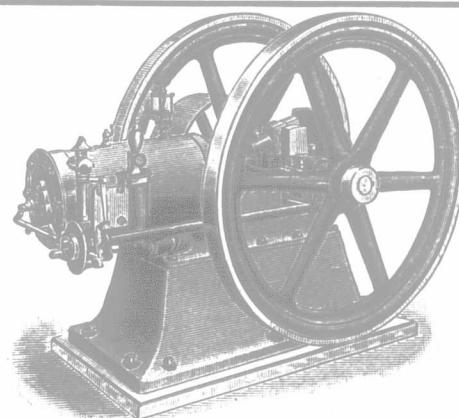

### OUR LIQUID PAINTS

Are made from genuine colors, of great covering power, which are the best preservatives for wood, iron and stone. They will dry quickly with a hard, glossy surface, and will work freely under the brush, and can be applied by anyone.

They are prepared in selected shades, together with outside and inside white and black. Guaranteed to give perfect satisfaction; will not crack, flake or chalk off.

We claim them to be unequalled by any paints in the market for beauty and durability. If you want good, satisfactory work done, be sure that you get our celebrated brands, and do not allow yourselves to be imposed upon by having inferior paints forced on you.

The Canada Paint Company, Limited.
