A SONG OF AUTUMN.

Ho! for the bending sheaves,  
Ho! for the crimson leaves,  
Flaming in splendor!  
Season of ripened gold,  
Plenty in crib and fold,  
Skies with depth untold,  
Liquid and tender.

For, like the smile of God,  
See how the goldenrod  
Ripples and tosses!  
Yonder, a crimson vine  
Trails from a bearded pine,  
Thin as a tread of wine  
Staining the mosses.

Bright 'neath the morning blue  
Sparkles the frosty dew.  
Gem-like and starry,  
Hark, how the partridge cock  
Pipes to his scattered flock,  
Mindful how swift the hawk  
Darts on his quarry!

Autumn is here again,  
Banners on hill and plain  
Blazing and flying.  
Hail to the amber morn,  
Hail to the heaped-up corn,  
Hail to the hunter's horn,  
Swelling and dying!  
—James Buckham, in Onward.

"THE FINGER OF GOD."

The finger of God and the Spirit of God are, in Scripture, interchangeable terms. When our Lord is speaking to the Pharisees of the power of dispossessing devils, according to St. Matthew, He says, "If I cast out devils by the Spirit of God"; in the parallel passage of St. Luke it stands, "If I with the finger of God cast out devils." The "Finger of God" is that by which, so to speak, He reaches and leaves His pressure on created life, moulding and perfecting it. The fingers are used, not only as means of exercising strength, but also as instruments of thought and feeling whereby the conceptions of the mind are fixed and imparted, and are themselves an index of mind and character. All forms of beauty and operations of delicacy are wrought by their agency. The designation, "Finger of God," then represents the Holy Spirit, the Last Person of the adorable Trinity, the Revealer of the Divine Will, touching created life, and acting upon it, for the purpose of bringing it into order and beauty and final accordance with the mind and will of God.—Archdeacon Hutchings.

GIRLS SHOULD REMEMBER.

That the home kitchen, with mother for teacher and a loving, willing daughter for pupil, is the best cooking school on earth. That "that most excellent thing in woman"—a low voice—can only

be acquired by home practice. That true beauty of face is only possible where there is beauty of soul manifested in a beautiful character. That the girl everybody likes is not affected and never whines, but is just her sincere, earnest, helpful self.

THE CANADIAN NORTH-WEST  
**HOMESTEAD**  
REGULATIONS.

Any even numbered section of Dominion Lands in Manitoba or the North-West Territories, excepting 8 and 26, which has not been homesteaded, or reserved to provide wood lots for settlers, or for other purposes, may be homesteaded upon by any person who is the sole head of a family, or any male over 18 years of age, to the extent of one quarter section, of 160 acres, more or less.

ENTRY.

Entry may be made personally at the local land office for the district in which the land to be taken is situate, or if the homesteader desires, he may, on application to the Minister of the Interior, Ottawa, the Commissioner of Immigration, Winnipeg, or the local agent for the district in which the land is situate, receive authority for some one to make entry for him. A fee of \$10.00 is charged for a homestead entry.

HOMESTEAD DUTIES.

A settler who has been granted an entry for a homestead is required by the provisions of the Dominion Lands Act and the amendments thereto to perform the conditions connected therewith, under one of the following plans:—

(1) At least six months' residence upon and cultivation of the land in each year during the term of three years.

(2) If the father (or mother, if the father is deceased) of any person who is eligible to make a homestead entry under the provisions of this Act, resides upon a farm in the vicinity of the land entered for by such person as a homestead, the requirements of this Act as to residence prior to obtaining patent may be satisfied by such person residing with the father or mother.

(3) If a settler has obtained a patent for his homestead, or a certificate for the issue of such patent, countersigned in the manner prescribed by this Act and has obtained entry for a second homestead, the requirements of this Act as to residence prior to obtaining patent may be satisfied by residence upon the first homestead, if the second homestead is in the vicinity of the first homestead.

(4) If the settler has his permanent residence upon farming land owned by him in the vicinity of his homestead, the requirements of this Act as to residence may be satisfied by residence upon the said land.

The term "vicinity" used above is meant to indicate the same township or an adjoining or cornering township.

A settler who avails himself of the provisions of Clauses (2), (3) or (4) must cultivate 30 acres of his homestead, or substitute 20 head of stock, with buildings for their accommodation, and have besides 80 acres substantially fenced.

Every homesteader who fails to comply with the requirements of the homestead law is liable to have his entry cancelled, and the land may be again thrown open for entry.

APPLICATION FOR PATENT.

Should be made at the end of the three years, before the Local Agent, Sub-Agent, or the Homestead Inspector. Before making application for patent, the settler must give six months' notice in writing to the Commissioner of Dominion Lands, at Ottawa, of his intention to do so.

INFORMATION.

Newly arrived immigrants will receive at the Immigration Office in Winnipeg or at any Dominion Lands Office in Manitoba or the North-West Territories, information as to the lands that are open for entry, and from the officers in charge, free of expense, advice and assistance in securing land to suit them. Full information respecting the land, timber, coal and mineral laws, as well as respecting Dominion Lands in the Railway Belt in British Columbia, may be obtained upon application to the Secretary of the Department of the Interior, Ottawa, the Commissioner of Immigration, Winnipeg, Manitoba, or to any of the Dominion Land Agents in Manitoba or the North-West Territories.

JAMES A. SMART,
