

Pressed Beef...

This is just the thing for your fall trade. Like all other goods of the **White Label** brand, it is made from carefully selected stock and is guaranteed to keep in any climate.

All our cans are soldered on the outside without the use of acids, thereby doing away with all criticism as to their formation.

PUREST AND BEST

WINDSOR SALT

Is packed in a large variety of packages for table use, but for those who require an extra fine salt we suggest our four pound **CARTOONS**. The package is most attractive, and the salt is the purest and whitest it is possible to manufacture.
