WANT AD HOROSCOPE

Persons born on this date do not care much for the details of work. They are sometimes inclined to be very lazy and are fond of luxury when it is provided by others. When necessary to take action and they see their own advantage they will be up and doing and make everything stand aside in order to succeed. Exceedingly fond of all the comforts of home and of good things to eat and drink, they make excellent providers and are always well acquainted with places to buy things. For this reason and others these people make good salesmen and agents and can present an important sales proposition in an attractive manner. They have a genius in catering for the table and the women of this birthdate are extra good cooks. Now is the time when the Want Ads can be used to good advantage in securing good clerical positions; in renting new apartments and filling occupations in stores and factories.
