## THEY FOUGHT WITH THIEVES

Posse Exchanges Shots With Three Jewelry Burglars

Very Exciting Scenes In Bancroft—Two Men Were Wounded

Belleville, May 30.—Three men, who are believed to have robbed a jewelry store at Alexandria on May 15, turned up at Bancroft, in North Hastings, on Monday morning, and terrorized the entire population of that village.

They entered the general store kept by LeVigne at Bancroft, and one of them wanted to trade a watch for a pair of boots. He had on the boots, and when Constable Steinberge entered the store and tried to arrest the man, believing he was an Alexandria burglar, the man shouted to his chum to shoot, which the latter did, emptying a six-shooter into the crowd, wounding two men.

The crowd then scattered, and the supposed robbers got away. That night it was reported that the three robbers were camped in the woods near, and about 30 men armed themselves with military rifles, and surrounded the camp.

Shots were fired, and there was an exciting time, but the desperadoes escaped in the darkness, and have not been seen since.

The thieves got about \$4,000 worth of watches and jewelry in Alexandria.

## BLOOD, PURE, RICH, RED.

Rosy glow in the face, sparkling eyes, vivacious spirits are all the outcome of good blood. No surer way exists of purifying and enriching the blood than to use Dr. Hamilton's Pills. By their gentle action on the bowels, kidneys and liver they filter every impurity from the system, leaving it wholesome and able to do the work necessary for the maintenance of health.

It is just as well to put off altogether some of the things we might do to-day.

When a boy turns his bulging pocket inside out we marvel at the quantity and variety of articles he has stowed away. Odd lengths of string, marbles, a horse-chestnut, a top, brass nails, hickory-nuts, an apple, and many other articles are gathered by this "snapper up of uncon sidered trifles." We think the collection must be hard on a boy's pocket. And it is. But do we ever think of the variety of miscellany of the substances we put into the pocket of our stomach? There's the apple and the nuts, and things besides quite as indigestible as brass nails and with no more food value than so many marbles. And yet we wonder that the stomach "gives out." When the stomach breaks down under the careless eating and irregular meals it can be perfectly and permanently restored to health and to strength by the use of Doctor Pierce's Golden Medical Discovery. The action of this medicine on the stomach and other organs of digestion and nutrition is so marked, that relief from disease is at once experienced, and the headaches, liver troubles, kidney disorders, skin eruptions and other symptoms of a diseased stomach are quickly cured. Dr. Pierce's medicines are purely vegetable—no alcohol or habit-forming drugs enter into their composition.

The light that shines the farthest shines the brightest nearest home.

## SPORT

## FOOTBALL

ENDED A TIE.

Lovers of the good old sport of football were interested to see the two former rivals, Darrell and Chatham, line-up on Tecumseh Park yesterday afternoon for another spirited contest. The game was the final one between these two teams in one of the series for the Clements cup.

They stood one game in favor of Darrell before the game started, and as the game yesterday ended in a tie, 1-0, Darrell wins out in this series, and will now play off with the other winners in the county league for the coveted prize.

Yesterday the game started off yesterday, it looked as if it would be a good clean fast game. Both sides worked hard and faithfully, but neither one could score a goal. Near the end of the game things began to get interesting, and the roughness started. Several mix-ups occurred which greatly marred the play, and which were a source of disappointment and disgust to the spectators, who were expecting to see a clean fast battle.

It was plainly noticeable from the start that the boys from the county were in far the better shape. This was a great point in their favor. At times the combination work was pretty and clever, but on the whole, it seemed to be a game of endurance and plugging. There was too much sprawling and "playing the man." Canadians could learn a lot from their English friends if they would introduce more science in the game, and play the ball. It would also make it far more pleasant for the spectators.

The following was the line-up: Chatham—Ross, Courtney, Asher, McQuarrie, Harper, Parrott, McQuarrie, Wilson, Hamilton, Newby and Parrott.

Darrell—Fisher, Pugh, Jenks, Pugh, Abraham, Clements, Jenks, Peck, Boddington, French and Abraham.

Referee—Fred Jordan.
