(Enlarged to the extent of Ten additional Columns.)

THE above Newspaper, now enlarged Ten additional Columns, which was established in July, 1842, is regularly published at Liverpool expressly for transmission by every Steam Ship sailing from any port in Britain to any port in the United States, and its leading feature is to give at a glance, an account of every important event that has occurred in Great Britain, Europe, or Asia, in the interval between the sailing of each steam ship, whether in politics or commerce—a correct and comprehensive Shipping List, in which will be found a faithful record of the arrival and departure of American Vessels at and from all the British, European, and Asiatic ports—with notices of such casualties or disasters as may from time to time occur—a complete Price Current, in which the greatest care is taken to give the latest reports of the markets for the various descriptions of American produce, from the most unquestionable sources—thus combining, in one Sheet, a Newspaper, a Shipping List, and a Price Current.

CAUTION!—Numerous pernicious compounds are universally sold as "MACASSAR OIL." To ensure the real article, see that the bottle is enclosed in a wrapper, (a steel engraving of exquisite workmanship,) on which are engraved "ROWLAND'S MACASSAR OIL," in two lines.

To further ensure the genuine article, see that the words "Rowland's Macassar Oil" are engraved on the back of the envelope nearly 1,500 times, containing 29,028 letters—WITHOUT THIS NONE ARE GENUINE.

It imparts a youthful rosate hue to the most bilious Complexion, and renders the Arms, Hands, and Feet, transparently fair and delightfully soft and smooth.

It is invaluable as a renovating and refreshing Wash, during travelling, or exposure to the sun, dust, or dry piercing winds; and after the heated atmosphere of crowded assemblies.—GENTLEMEN will find it peculiarly grateful after shaving in allaying the irritation of the Skin

Price 4s. 6d. and 8s. 6d. per bottle, duty included.

Rowlands ODONTO, or PEARL DENTIFRICE

A FRAGRANT WHITE POWDER, of Oriental Herbs.—It eradicates Tartar and decayed spots from the Teeth, preserves the Enamel, to which it imparts a Pearl-like whiteness, and fixes the Teeth firmly in the Gums. Being an Anti-Scorbutic, it eradicates the Scurvy from the Gums, strengthens, braces, and renders them of a healthy red; it removes unpleasant tastes from the mouth, which often remain after fevers, taking medicine, &c. and imparts sweetness and perfume to the breath.
