IN TENEBRIS LUX.

BY A BANKER.
One of the strangest phenomena which have occurred for many years—strange, because altogether unintelligible, and so far, not satisfactorily explained by scientists—was the remarkable and unaccountable prolongation of the glow of twilight, with the complete absence of darkness during the whole of the night, which recently so startled north-western Europe. A beautiful sunset hue pervaded the northern heavens as though the axis of the earth suddenly changing, the sun had not sunk so far beneath the horizon as usual, and the position of the pole had altered five and twenty or more degrees, the arctic circle therefore moving downwards. The phenomenon was entirely different to aurora borealis, and the cause remains an absolute mystery. It was as though a Joshua had commanded the sun to stand still in order to prolong the length of the day.

But however beautiful and strange, this phenomenon could not compare in splendor and magnificence with the startling display of aurora borealis which took place in England in 1859. As the twilight disappeared, a myriad of colored lights were observed in the northern heavens, gradually taking the form of a gigantic luminous arch of many colored fires. Depending from the arch were geometrical columns, of varying length, of quivering, many-hued wildfire; some a brilliant amethyst, some a deeper purple, or some a vivid carmine or emerald. Now a throbbing pulsation passes over the entire glowing arc, and it flashes in gold or orange or vermillion, or once more violet; now for a moment partially fading away, again suddenly, with a quivering tremor, scintillating and flashing as brightly as before. The spectacle is now beyond expression sublime and majestic, and those who had the good fortune to witness it were altogether overwhelmed at this magnificent and supernatural display of the mighty forces of Nature.

On another occasion, instead of a prolongation of daylight, for a space of three hours, commencing at noon, a supernatural darkness overspread the land, a darkness in which, it is believed, the entire earth was plunged, for Nature was then veiling her face, shocked at the awful tragedy which was then taking place on Golgotha, where the pure and holy Son of God was bearing the shameful load of our sins, and Himself on behalf of all who will but come to Him, enduring the punishment due by them to Eternal Justice. Aye, well might Nature then, agast at the heart-rending sufferings of her Lord, shroud herself in darkness, and screen Him from the riddings of his dastardly murderers. But His death is our life, His sufferings our passport to the glories and eternal joys of heaven. His crown of thorns our title to a crown of glory.

The footprints of Dyspepsia have been directly traced to the Stomach nerves. When these "inside nerves" fail, indigestion and stomach distress must surely result. For this, Druggists everywhere are supplying a remedy known as Dr. Shoop's Restorative. First, these tiny inside Stomach, Heart and Kidney nerves fail. Then gas belching, Heart palpitation, or failing Kidneys follow. Don't distress the Stomach, or stimulate the Heart or Kidneys. That is wrong. Strengthen these failing nerves with Dr. Shoop's Restorative. It is the nerves, not the organs that are calling for help. Within 48 hours after starting the Restorative treatment, you will realize the gain. A test will tell. Sold by all dealers.

Ex-Policeman Jones of Campbellton who was dismissed from the police service by the town council has demanded an investigation through the attorney, Mr. W. A. Mott. Mr. Jones feels that the council pursued by the council in his dismissal places him in a very bad light before the public, and he seeks to have the public know the true facts.

MINARD'S LINIMENT CO., LTD.
GENTLEMEN,—In June, '98, I had my hand and wrist bitten and badly mangled by a vicious horse. I suffered greatly for several days and the tooth cuts refused to heal until I was given a bottle of MINARD'S LINIMENT, which I began using. The effect was magical: in five hours the pain had ceased and in two weeks the wounds had completely healed and my hand and arm were as well as ever.
Yours truly,

DEAFNESS CANNOT BE CURED
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a running sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circular, free.

A GREAT EXHIBITION FEATURE.

Machinery Hall in St. John To Be Part Of Big Show There.

The big boilers in the Machinery Hall of the Exhibition building in St. John were tested the other day and found in first class condition. Now that they are sure of plenty of power the applications to show machinery in motion are becoming a feature of the big show.

Some splendid amusement features have already been booked, the railways and steamboats are making rates that will induce most everyone to visit St. John Exhibition week, and there the people are making all sorts of plans to make their stay pleasant.

There is nothing more interesting in an exhibition than a well stocked Machinery Hall, such as St. John will have.

Remember the date, September 12th to 19th.

August time tells on the nerves. But that spiritless, no ambition feeling can be easily and quickly altered by taking what is known by druggists everywhere as Dr. Shoop's Restorative. Within 48 hours after beginning to use the Restorative, improvement will be noticed. Of course, full health will not immediately return. The gain, however, will surely follow. And best of all, you will realize and feel your strength and ambition as it is returning. Outside influences depress first the "inside nerves" then the stomach, Heart, and Kidneys will usually fail. Strengthen these failing nerves with Dr. Shoop's Restorative and see how quickly health will be yours again. Sold by all dealers.

Gold and Silver Medals, Bibles and Books,

Awaiting Those Who Enter the Union Advocate Bible Study Club

Only One Question to be Answered per Week. See Conditions Below

In order to encourage the study of the Bible, the UNION ADVOCATE has arranged to publish, weekly, a series of questions on the Sunday School Lessons. All who accept the conditions stated below will be members of the Northernland County Club, and eligible to win the prizes provided.

Persons may join the club at any time during the year, but must, of course answer the 52 questions hereinafter explained, to qualify for the prizes. It is, moreover, desirable that the questions be answered as the lessons are studied.

The International Newspaper Bible Study Club is for the purpose of promoting, in an unfettered way among the masses, a wider study of the Bible, the basal truths of Christianity, and the problems which enter into every man's life. It is composed of all those who join a Local Club, and take up the simple course herein outlined, barring only ordained clergymen. We have the sympathetic co-operation of the latter, but it is not considered fair to have them compete for the prizes. Sunday school teachers, Bible class scholars, and church-goers generally, may belong to this Newspaper Club, also non-churchgoers, of all shades of opinion. All such who have not joined are warmly invited to do so and to compete for the prizes.

This paper has secured the right to publish the International Sunday School Lesson questions by Rev. Dr. Linscott, which have aroused so much interest elsewhere, and they will appear weekly. One of these questions each week is to be answered in writing, and upon these answers the prizes are to be awarded.

This paper is authorized to form a Local Newspaper Bible Study Club for its readers, and guarantee to all who join and fulfill the conditions, that everything herein promised shall be faithfully carried out.

CONDITIONS OF THE CONTEST.
1. Each contestant, or his or her family, must be a subscriber to this paper, (paid in advance), during the continuance of the contest, in order to qualify for membership in the International Newspaper Bible Study Club and this Local Club.

2. Each contestant in this Local Club, must answer each of the written questions, for 32 consecutive weeks, commencing for Sunday, July 5, 1908, and the answers must all be in the possession of this paper within two weeks of the close of this period, which allows two weeks grace after the close of the contest.

3. Each question must be answered separately, and the paper written on one side only. No answer must exceed two hundred words in length, and may be less. It will be a convenience if students will write their answers on letter paper, about 8 1/2 by 11 inches.

4. Each answer must have the name and address of the writer at the bottom of the answer; so it can be identified, given a number, registered, and the answers from this Local Club must be delivered to this office, and they will be collated at the close of the contest, and forwarded to headquarters for independent examination by competent examiners. The prizes will then be awarded according to the highest number of marks, won by members of The International Newspaper Bible Study Club, and prizes which may be awarded to members of this Local Club will be given out from this office.

Suggestive Questions on the Sunday School Lesson by Rev. Dr. Linscott for the International Newspaper Bible Study Club.

Aug. 16th, 1808
Saul Tries to Kill David. 1. Sam. xviii: 6-16.

Golden Text.—The Lord God is a sun and shield. Ps. lxxxiv: 11.

Verse 6.—Are the sorrows of success, greater, or less, than the sorrows of defeat?

Which enjoy the more happiness, men who become prominent, or those who remain in obscurity?

Does God mean everybody to be prosperous?

Does faithfulness to duty always imply popularity and success?

Verse 7.—What accounts for the fact that David was more popular than Saul?

Why was Saul losing his popularity?

Verse 8.—Can you blame Saul for being angry when the people praised David more than they did him?

Is it a good thing to praise, to their faces, those that are praiseworthy?

Can you name a Bible character who rejoiced at the prosperity of another more than he did himself?

Is it possible, and is it the duty, for everybody to rejoice when others prosper more than themselves?

Is it possible for a man to rejoice when, for his sadness, God is taking away his position and giving it to another?

Does God in these days take away the positions of unfaithful men and give them to others?

Verse 9.—Is it ever right to set a watch upon the actions of others in the hope of catching them in wrong-doing?

THE PRIZES.

First Series.—A gold medal to each of the first five contestants.

Second Series.—A silver medal to each of the next five contestants.

Third Series.—A Teacher's Bible, price \$3.50, to each of the next five contestants.

Fourth Series.—The book "The Heart of Christianity," price \$1.50, to each of the next thirty-five contestants.

Fifth Series.—A developed mind, an expanded imagination, a richer experience and a more profound knowledge of the Bible and of life, to all who take this course whether winning any other prize or not.

Each medal will be suitably engraved, giving the name of the winner, and for what it is awarded, and in like manner each Bible and book will be inscribed.

All who can write, and have ideas, are urged to take up these studies regardless of the degree of their education, as the papers are not valued from an educational or literary standpoint, but from the point of view of the cogency of their reasoned ideas.

PAST QUESTIONS.

For July 5th, the Lesson text was 1 Samuel VIII, 1-22, and the verse to be answered in writing was:

Granted that God is a real Almighty person, so to speak, right at the elbow of every man, to protect him, and to supply all his needs, then what is the great defect in modern preaching, and in average Christian Experience?

For July 12th, the text was 1 Samuel X: 17. The whole ninth and tenth chapters to be read. The special question to be answered in writing was:

When a company of godly men seek to know the mind of God, may that mind be found by a ballot or the casting of the lot, or is there a better method? (See Acts 1:23-30 XII:2)

And then the name cut off so the examiner may know it by number only.

5. Students should be careful to understand the question before answering. To do this, the lesson text must be read and especially the verse, or verses, upon which the question is based.

The verse to be answered in writing for July 25th was:

How can you justify God for commanding this wholesale slaughter of men, women, children and animals?

Verses 14-16.—Is it a rule that the good and the true are the admiration of God and of good men, while they provoke the hatred or jealousy of bad men? Give your reasons. (This question is to be answered in writing by members of the club.)

Lesson for Sunday, Aug. 23rd, 1908.—Friendship of David and Jonathan. 1. Sam. xx.

May one be jealous of another and still be pure in heart, or does jealousy always imply sinfulness?

Verse 10.—In what sense is God the father or author of evil spirits?

When a ship springs a leak and sinks, is that in any sense an act of God?

When a bad man loses his temper, and raves, has God anything to do with it?

Is it one of the laws of God that those who give way to fierce jealousy go from bad to worse?

Verse 11.—Will jealousy make a man hate his best friend?

Does the sin of jealousy make its subjects insane?

Verse 12.—Is it generally so, that a man who has forsaken God, and is losing as a result, is envious of a man who is true to God and is winning?

Verse 13.—What prompted Saul to make David a captain?

Did David in after life ever do a similar thing?

If a man gives way to passion or wrong-doing of any kind, will there likely be any limit to the sins he will commit either to cover up his tracks, or to accomplish his purpose?
