HARRISON IN SIMPSON'S PLACE.

Tigers Eager For the Fray With the Rough Riders.

Attell Won the Featherweight Championship Bout Last Night—Many Entries for the Amateur Bouts at Toronto.

There was a poor turn-out of the senior Tigers at the practice at the Cricket Ground last night, as most of the players felt that they were not yet entirely over the effect of Saturday's game at Montreal and instead of working out on the field went over to Dr. Kelly's Sanatorium and went through the treatment which the doctor has provided for them. The boys have all promised to be on hand to-night and will go through a light running and signal practice in final preparation for the championship game to-morrow with the Ottawa Rough Riders.

The Rough Riders will leave the capital this evening and expect to bring quite a crowd of rooters with them. Last Saturday's game in which they administered such a stunning defeat to the hopes of the Argonauts have inspired them with new life and they are confidently looking forward to gaining a victory of the Tigers and putting them out of the running for the first inter-Provincial Championship. The local team is not working a great deal, but are taking no chances and will be prepared to go just a little faster than Ottawa can go. That it will be a great game there is no doubt. Many people who are unable to go on Saturday afternoon will also be present to cheer for the first time for the Tigers.

Harrison will take Ben Simpson's place on the back division and that Nibs will be given a great reception when he turns out is certain for he is a very popular player. The rest of the team will be the same as that which defeated Montreal last Saturday and as it will be the last time the famous Tigers of these five years will be seen on the field in this city considerable sentiment attaches to the occasion.

Dr. Hendry and H. C. Griffith will be umpire and referee. The sale of tickets for to-morrow's football game has been unprecedented in the history of the Hamilton Football Club. Not even for the big game with Montreal last year on which the hopes of the Dominion championship rested was the sale as large and there is no doubt that the large crowd that ever saw a football game in this city will be present to-morrow afternoon. Those who leave the purchasing of reserved seats until to-morrow will likely have to take a seat in the bleachers as almost the whole capacity of 2,000 seats will have been sold today, judging by today's demand.

O. R. F. U. MATTERS.

Toronto, Oct. 20.—Secretary J. R. Hay yesterday, on behalf of the O. R. F. U. senior and intermediate championships, challenged the Canadian Union, for the Dominion championship in both series, making it plain to the parent body that under no conditions will the O. R. F. U. winners jeopardize their amateur status by meeting the winner of the disqualified Inter-Provincial senior series.

The Inter-Collegiate Union has taken a similar stand and if the Dominion championship is played for this season the game will be between the O. R. F. U. and the Inter-Collegiate winners, respectively.

The letter was sent to Secretary D. McKeown, of the C. R. F. U., who was formerly a member of the Hamilton Tigers, and is now manager of the Bank of Hamilton at Mitchell, and is as follows:

"Dear Sir:—Following past custom, the winners of the Senior O. R. F. U. championship wish to challenge, through the C. R. F. U., the winners of the Senior Inter-Collegiate series for the Dominion Championship. We wish also to challenge the winners of the Inter-Collegiate and the winners of the Quebec Union, respectively, for the Intermediate Canadian honors.

As you are doubtless aware, the senior teams of the new Inter-Provincial Union have been disqualified by the C. A. A. U., with which body we have the honor to be affiliated, for certain alleged violations of the amateur rules, and we wish to notify you that we cannot entertain any proposition to meet the champions of that Union, if we should be ordered to do so by the Canadian Union, though we are ready to meet the winners of the intermediate series in the Canadian championship final, the C. A. A. U. having ruled that we would not be thus jeopardizing the amateur standing of our Union or players."

HIGHFIELD VS. RIDLEY II.

An interesting game took place yesterday at Ridley between the above teams. During the first half-time Ridley had the benefit of a strong wind, of which they failed to take full advantage. The first try was scored by the home team, but Higgins quickly gave Highfield the lead by running through the opposing team, the result of the kick being a goal. At half-time the score was 6 to 5 in favor of Highfield. During the second half Highfield made frequent gains, thanks to the good kicking of Hope. The whole team played well, the good work of Ferrie and Kennedy being specially noticeable on the half-back line. The wings followed up well and the tackling was good. Murray, though handicapped by a sprained wrist, secured a try by a tricky run, and the final score was Highfield 20, Ridley 5. The Ridley boys stuck to their work manfully, the strong points of their game being their bumping and their stubborn defence.

Highfield—Back, R. A. Higgins; halves, K. A. Murray, J. C. Kennedy, G. C. Ferrie (captain); quarter, C. W. G. Gibson; scrumhalf, M. W. Walker, K. W. MacDougall, L. S. Hope; wings, W. J. Whiting, J. C. Sutherland, J. D. Scott, D. S. Bankier, J. R. Ferguson, G. K. Fraser.

ATTELL CHAMPION.

Abe. Defeated Weeks, the Cripple Creek Feather, Last Night.

Los Angeles, Oct. 30.—Abe Attell last night won from Fred Weeks, of Cripple Creek, in the fourth round of a scheduled 20-round contest for the featherweight championship.

Abe Attell clearly demonstrated that he is by far the best boy of his weight. While it is true that Weeks was not knocked out, the referee wisely stopped the fight before anything approaching a fatality could occur.

In the first round Abe landed right and left to Weeks' jaw and had Weeks unsteady on his feet. It looked then as if Weeks could not last another round, but he surprised everybody by coming up fresh at the going when the second round was called.

In this round Weeks showed to much better advantage. He swapped punches with Attell and caused a faint gleam of hope to rise among his adherents. It might be said that this was the only round that Weeks appeared to have any chance whatever with the champion. In the third round Attell landed a hard left uppercut to Weeks' stomach, which seemed to take considerable steam out of the Colorado boy. Without giving him a moment's rest, Abe came right back with a straight left, pushing Weeks' head back.

In the fourth round Abe went after his man, showing no mercy. In all he knocked his man down five times. Weeks was game and rose to his feet each time before the referee could count him out. But after a rain of blows, the referee stepped between the men when Weeks arose after the fifth knockdown and declared Attell the winner.

BOUNTS AT TORONTO.

Toronto, Oct. 30.—The entry for the twelfth semi-annual amateur boxing tournament, which opens to-morrow night in the Mutual street rink, is probably the best balanced in the record of the City Association. There are 43 entries. The two new rules that were compiled by the secretary of the association, and passed at Saturday's meeting of the C. A. A. U., will be in operation, and they warrant the elimination of all faking or any attempt at what is known as a hold-up, both of which have been practiced in the past.

The men weigh in each night at 6.30, or after, and no overweighing is allowed. If a candidate is over the limit, he must stand ready to box a man in the next class.

Toronto World: The first game between Toronto and Ottawa Universities recalled mediaeval times, says a writer in the Detroit Free Press. In the United States, where clergymen are frowning down the game, it is seldom the case that wearers of the cloth are found on the catching lines at football games. Such is not the case in Toronto, however, for at the game mentioned the Rev. Biddy Barr, a Presbyterian minister and head coach of the Toronto fifteen, urged his men against their opponents, while the Rev. Father Staunton, coach of the Ottawa team, cheered his men to victory over his Presbyterian rival.

The reverend gentlemen were the subjects of much "joshing" by the spectators during the match, and were not averse to handing out some good-natured jokes themselves at each other's expense. Both clergymen were adept at the game during their college days, and their praises are still sung by the old-timers who watched the battles of years ago.

By the new C. A. A. U. boxing rule adopted at the special meeting of the board of governors on Saturday it is

R. G. Baker, British United; P. Kenyon, unattached.

Lightweight, 135 pounds—Harry Paters, Markham, Ont.; E. W. Sutton, T. Sutton and R. R. Barrett, British United; T. Pictou, West End; A. C. P. Kenyon, unattached; E. Wilkinson, Elms Baseball Club; P. Platt, St. Charles A. C.

Welter, 145 pounds—C. Campbell, Strathcona Cycle Club; H. Gledhill, unattached; T. Holt, West End; H. Peters, Markham; H. Lang, Irish Canadian.

Middleweight, 158 pounds—H. Lang, Irish Canadian; S. Norgate and S. Hickman, British United; R. Maguire, unattached; S. Rogers, Thistles' Football Club.

Heavyweight—W. Day, Thistle Football Club; F. Banks, West End A. C.; W. Dolman, West End A. C.; R. Ferguson, Irish Canadian.

AN OLD MAN'S LONG WALK.

Portland, Me., Oct. 30.—Planning to duplicate his feat of forty years ago, of walking to Chicago, a distance of 1,230 miles, in 20 days, Edward Payson Weston started at 5 o'clock last night from the Portland Postoffice, amid the cheers and good wishes of fully one thousand people, who had gathered to see his start. He is 69 years of age. Mr. Weston was greeted by a number of friends, including former Mayor James P. Baxter, who watched his departure forty years ago, and was accompanied to the South Portland City line by Joseph C. Sterling, who as police officer, escorted him over the same route on the first walk. Mayor Clifford witnessed his departure and administered an oath that the conditions of the feat had been complied with. Mr. Weston expects to arrive at Chicago Postoffice at 2 p. m., Thursday, Nov. 28, averaging about 50 miles a day. He will go by way of Boston, Troy, Utica, Syracuse, Buffalo, Toledo and Cleveland. There was an arrangement for Henry Schmel, of Chicago, to start at the same time for Portland.

H. R. C. STEEPLECHASES

The annual steeplechases of the Hamilton Riding Club will be held next Saturday afternoon, just east of Ryekman's Corners. Four events will be decided, all of which are over a good stiff country. The entries which close on Friday promise to bring together some of the best horses in the club and furnish some excellent sport. Buses will leave the Mountain View at 2 o'clock and the first race will be called at 3 o'clock sharp.

Toronto, Oct. 30.—Elwood A. Hughes, the Toronto runner, who sprained his ankle just before the Athens Olympic race last year, and was unable to face the starter, yesterday received a letter from John Svanberg, of Stockholm, the Swedish runner, who finished second to Will Sherring of Hamilton, in which Svanberg says that he will be the starter in the British Marathon. He says that he is greatly improved since Athens, and that he is the logical choice of the Swedish athletic body. Svanberg ran a great race in Athens, and Mr. Hughes says that he should be a contender in the great event.

LONGBOAT'S RUN TO-DAY.

Toronto, Oct. 30.—Dr. Joachim Guinane's pronouncement after his examination of Thomas Longboat yesterday, was the lungs of a horse fit to run a hundred miles. The Indian is also perfect as to his legs and feet, which also have considerable to do with long distance running. He makes his attempt on the Hamilton to Toronto to-day.

The route will be along the lake shore as originally planned, and the Indian will pass through Burlington, Bronte, Oakville, Lorne Park, Port Credit, Mimico, Parkdale, along Queen street, to the corner of Queen street and Yonge street.

Leaving Hamilton at 12.30, Longboat is expected to do the distance of 44 miles in about 5 hours and a little more, so that he ought to have in sight of his destination about 6 o'clock.

The approximate distances along the routes, and about the time he will be there, are: Burlington, 8 miles, 1.30; Bronte, 8 miles, 3.00; Oakville, 4 miles, 3.30; Lorne Park, 8 miles, 4.15; Port Credit, 2 miles, 4.40; Mimico, 5 miles, 5.20; Parkdale, 3 miles, 5.50; Queen-Yonge, 2 1/2 miles, 6.20.

BIG WRESTLING ASSOCIATION.

Buffalo Grapplers Going at the Game in Earnest.

Elwood Hughes Received a Letter From the Great Swedish Runner, Who Was Second to Sherring in the Marathon Race—The Course Longboat Will Take To-day.

Buffalo, Oct. 30.—The wrestlers of Central Y. M. C. A. are planning to form a wrestling association which, when completed, will be the most powerful and compact organization devoted solely to wrestling ever organized in western New York. With that object in view a call has been issued for every devotee of the grappling game—past, present and prospective—to assemble in the wrestling room at Central by nine sharp next Saturday evening, where the club will be formally organized, officers elected, plans discussed and whatever other necessary steps taken to place the affair in a thriving condition right at the outset.

There is not the least doubt that this organization will fill a long felt want, will place amateur wrestling in this vicinity in its proper place as one of the cleanest, most exciting and withal beneficial branch of athletics known.

In amateur wrestling there is little or no chance to connive as there is in semi-professional affairs, and straight amateur wrestling appeals strongly to the general public, as has been proven by the increasing number of spectators at the amateur tournaments both here and in Rochester, a large portion consisting of the gentler sex.

SHORT ENDS.

Little Paragraphs of Sport From Far and Near.

Prof. Barton, of the Y. M. C. A., has been requested by the Star, of Montreal, to send a team of five men to compete in the big road race in Montreal on Nov. 9. In this race five men will start, with four to count. As the Y. M. C. A. has not five good long distance runners, he will pick five Hamilton runners from the Herald road race—probably the five that make the best showing—and ask them to go and represent Hamilton. The expenses of the runners chosen will be paid by the Star, and Bobby Kerr will go along with them as manager. The race is sanctioned by C. A. A. U.

The Westinghouse soccer football club plays the Toronto Thistles at Britannia Park on Thanksgiving Day at 3 o'clock. The Toronto Thistles are the senior champions of Ontario.

Waterloo, Oct. 30.—The annual meeting of the Waterloo Curling Club was held last evening. The election of officers took place, resulting as follows: Patron, J. E. Seagram, M. P.; Patroness, Mrs. J. E. Seagram; Hon. President, J. B. Snider; President, E. F. Seagram; Vice-President, D. C. Kuntz; Secretary, A. E. Devitt; Treasurer, Mr. Richardson. Messrs. Hogg and E. F. Seagram were appointed representatives to the annual meeting of the Ontario Association.

Since we have two teams in the O. H. A. this season. The fine new rink, which is being built, is well under way, and when completed will be one of the best in Ontario. It is 76x108 feet in size, to have an arched roof and ample seating capacity and standing room for a large crowd.

Jockey Mulcahey, the Valley Farm Stable's lightweight rider, left last night for San Francisco, where he will ride this winter for Ed. Trotter, whose horses did so well in the Canadian circuit this season. Mulcahey's work toward the close of the season showed a great improvement, particularly in the courage and readiness with which he seized opportunities as they occurred during the running of a race.

VESSEL TIED UP.

Norwegian Boat Owners Being Sued By Hamilton Firm.

St. Catharines, Oct. 30.—Sheriff Dawson, acting on a writ issued by R. O. & A. J. Mackay, Hamilton, has tied up the steamer Pollux at Port Dalhousie. The steamer is a Norwegian boat, manned entirely by Norwegians. She came out about time ago and was chartered by the Mackays to take a cargo of wheat to Norway. When loading was begun it was discovered that the vessel's hold was covered with coal oil, and the officers refused to clean it. Messrs. Mackay cancelled the contract, and are suing the owners of the boat for \$4,000 damages.

STOVE BOYCOTT.

BUCK STOVE AND RANGE COMPANY MAKES NEW MOVE.

Seeks Temporary Restraint—Complain Made That Stove Dealers are Warned by Labor Unions to Shun St. Louis Company.

New York, Oct. 30.—Another move has been made by the Buck Stove and Range Co., of St. Louis, in its legal campaign against the boycott by the American Federation of Labor against the company's products. Through its counsel, J. J. Darlington and W. C. Sullivan, a petition was filed, asking a temporary injunction against the boycott.

It is complained that since the institution of the original suit to restrain the boycott the American Federation of Labor, its Executive Council, its subordinate organizations and its two million members are continuing the boycott and thereby harassing and injuring the business of the company. It will require several months before testimony can be taken in the original suit, and on this ground a temporary injunction is sought.

Chief Judge Calabough, of the District Supreme Court, directed the Federation to show cause on Friday, November 8th, why an injunction should not issue against it and its subordinate organizations to prevent publication of the company's name in the "We Don't Patronize" list and other actions, pending hearing of the equity proceedings begun last August.

Among the dozen exhibits filed with the petition is a copy of a notice to stove dealers in the St. Louis Labor, a periodical, warning them not to offend organized labor by patronizing the Buck Stove and Range Company. A similar notice in the Labor Times-Herald, of Fort Wayne, Ind., states that local merchants handling the Buck products had just missed being put on the unfair list. Another exhibit shows scores of notices from the Federationist, an official organ of the American Federation of Labor, that various firms have been placed on the unfair list.

INDIAN INK.

Made in China and Exported All Over World.

So-called Indian ink, to be more correctly called China ink, is made in the province of China to every part of China and all over the world. Last year about two tons of it, valued at \$10,000, were exported from Shanghai to foreign countries. The material with which this beautiful black ink is made are assumed to be water and a tree expressed from the poisonous seeds of a tree extensively cultivated in the Yangtze Valley and also in Japan. To this varnish and pork fat are added.

The lacquered made by the combustion of these Chinese materials, and according to the materials and the grade of fineness, and also according to the time taken over the process of combustion, is of various shades of black. Black has some glue added, and is beaten on wooden anvils with steel hammers. Two good hammers and a piece of iron, each weighing half a pound. A certain quality of musk of the musk deer or of Baron camphor, for coloring, and gold leaves, varying from 20 to 300 to the pound, are added to give a metallic lustre.

The materials thus prepared are molded in molds of carved wood, which takes about 20 days in fine weather, and adorned with Chinese characters in gilding. About 20 to 25 average-sized sticks of ink 20 to the pound. The price varies from 50 cents or less per pound to as much as \$35, there being over a dozen grades.

Nearly all writing is done by the natives throughout China, Japan, Korea, Tongking and Annam, with this China ink, rubbed down on a stone ink slab and applied with a paint brush or sable, fox or rabbit hair, set in a bamboo holder, and when not in use carefully covered with a protecting brass cap. The superior kinds of this ink appear to be used in China and Japan.
