BOWLING RACING SOCCER ROWING

Gossip and Comment

For a l-around careful, consistent cricket, the exhibition given by the Provincial team which played in Philadelphia yesterday under the name of the Toronto Zingari was one of the best of recent years. Scores of 400 in matches between the pick of Canada and the United States, whether they be International or only international matches, are rare, but when two-thirds of the men on a Canadian groys team ear score in newtoned or only international matches, are rare, but when two-thirds of the men on a Canadian gypsy team can score in the 30's, 40's, 50's and 90's against a list of bowlers which includes the names of some of the best in the home of cricket in the United States, the Canadians show high class. That S. R. Saunders should score 96, Gordon Southam, of this city, 55, H. E. Beatty 52, W. J. Fleury, the vesteran, 47, and so on, will not, as individual scores, surprise the friends of these men, for they are all capable of making good scores, but that seven men foilowing down the list should, put on 372 runs is a remarkable performance. His friends throughout Canada will regret that Saunders was not able to score one more boundary and get a century to his credit, but 36 is a nice, sing burch of runs. The three Hamilton players, Southam, Gibson and Counsell, contributed an aggregate of 76. The teams are playing 12 men a side, and the Canadians had one wicket yet when play tooped yesterday.

winner of which a considerable prize was offered.

Time was called at 9.45 p. m., and at 8 a. m. yesterday, after ten hours and fifteen minutes of steady dancing, the two couples remaining on the floor agreed to stop and divide the prize money. Salvester Rich and Miss Monagan and Frank Sheehan and Miss Sackarnd were the winners.

The temperature was very high in the hall, and from time to time in the night exhausted couples dropped out of the race. Refreshments were partaken of by the remaining couples without missing a step of the two-steps or waltzes. Two piano players working in shifts that grew shorter as the morning approached, furnished music for the dancers. Many spectators remained all night to see the finish.

It is believed here that several of the couples who won beat the record by from two to three hours.
