## FIRST DAY OF BOWLING TOURNAMENT.

The Competitors For the Times Trophy Enjoy Good Day's Sport.

Last Year's Champions Defeated in First Round—Preliminary and First Round Bowled Yesterday.

THE PRELIMINARY and first round of the city championship bowling tournament was rolled on the Thistle Bowling green yesterday afternoon. Despite the fact that the temperature fluctuated between 85 and 90 degrees caused by perspiration to show on the foreheads of the players, and strenuous movement was extremely uncomfortable, the competition was none the less keen, and every participant seemed bent upon doing his share towards capturing the coveted trophy. Though the grounds are a trifle small, and contain only eight lawns, another such might be hard to find indeed. Smooth and level as a billiard table, with the grass clipped short, they were in ideal condition, and with the exception of the rather oppressive heat, better conditions for lawn bowling could not have existed. Walter H. Davis, who has charge of the tourney, had everything in readiness, and when the contestants arrived, no delay was experienced in getting the play started. In the preliminary events a keen contest took place between Ralph Ripley's R. H. Y. C. rink, which won the trophy last year, and C. W. Walker's Thistle rink, which did so well in the Dominion championships at Niagara-on-the-Lake. All through the game it was nip-and-tuck, and the champions just succeeded in winning out by one point. Their winning streak was short-lived, however, as in the first round C. W. Cartwright's Thistle rink defeated them by six points. The bowling will be continued to-day at 4 o'clock. Yesterday's scores were:

Midget Barbeau, the smallest man playing ball in any of the big leagues, is one of the most generally talked about men in the game. He can just raise 5 feet 1 inch, but the way he holds down third is the admiration of all. His diminutive form makes him the subject of all the jokes writers, but he has been used to that sort of thing all his life, and doesn't mind it.

## TORONTO SHUT OUT BALTIMORE.

Leafs Outclassed the Birds in Yesterday's Game.

Buffalo Beat Skeeters and Providence Downed Montreal.

TORONTO SIMPLY outclassed the Birds in yesterday's game, the last of the series, and as a result the visitors were handed their third shut out of the week. The score board read 6 to 0 at the wind up. McGinley was in raze form and at no time was he in the slightest trouble. Pearson pitched good ball from start to finish, and the fourth, in each of which the Maple Leafs accumulated three runs. The five hits scored off McGinley were unloaded wide apart. Score:

Baltimore.	R. H. E.
Toronto . . . . .	0 5 1
Toronto . . . . .	6 9 1

### AT ROCHESTER.

Rochester, July 30.—Only thirty men faced Roy Beecher yesterday afternoon, and the Indians, who made but four widely scattered hits, were shut out, 3 to 0. In the sixth the Hustlers on four hits, a base on balls and a sacrifice fly, scored 3 runs. The locals played a smart fielding game. Score:

Newark . . . . .	3 9 0
Newark . . . . .	0 4 0

### AT MONTREAL.

Montreal, July 30.—Providence won an easy game from Montreal on a wet field. Errors gave Providence their four runs in the fifth. Montreal has purchased "Bumpus" Jones from Indianapolis. Score:

Montreal . . . . .	8 9 1
Montreal . . . . .	4 9 6

Jersey City . . . . .	6 9
Jersey City . . . . .	2 8

## PRINCE AHMED WINS HANDICAP.

Race Was Run in 1.11, Equalling World's Circular Course Record.

PRINCE AHMED, carrying 117 pounds, equalled the world's record for six furlongs on a circular track when he easily won the second event at Empire City yesterday. The record of 1.11 is now held jointly by Prince Ahmed and Chapultepec. The latter made his time at Los Angeles on December 28, 1908.

Rose Queen was first at the start and soon opened with a big lead on Colloquy with Prince Ahmed last and lengths behind. Rose Queen continued her advantage to the head of the stretch, when she began to tire. Prince Ahmed took the lead at the furlong pole and won by two-lengths. Colloquy beat the favorite, Rose Queen, three lengths for the place. Prince Ahmed was a 2 to 1 shot.

Bosom, favorite, won the Arrow stakes and was bid up to \$1,700, an advance of \$700 over his entered selling price. The stable bid the customary \$5 and kept the gelding. Summaries:

First race, for maidens, 1-1-6 miles, selling, \$400 added—Aunt Jule, 102 (Lynch), 9 to 2, 7 to 5 and 3 to 5, 1; Dancer, 112 (McDaniel), 8 to 1, 5 to 2 and even, 2; Miss Popular, 107 (Austin), 9 to 1, 3 to 5 and 1 to 5, 3, Time, 1:45-2.5. Mr. Jorrocks, Faultless, Bandello and Byrne also ran.

Second race, six furlongs, \$500 added—Prince Ahmed, 117 (Taplin), 2 to 1, 1 to 2 and out, 1; Colloquy, 105 (Page), 8 to 1, 8 to 5 and out, 2; Rose Queen, 120 (Powers), 7 to 1, 1 to 4 and out, 3. Time, 1:11. Bat Masterson also ran.

The time made by Prince Ahmed equals the world's record on a circular track, made by Chapultepec at Los Angeles last December.

Third race, selling, 1-1-6 miles, \$500 added—May River, 99 (Greely), even and out, 1; Footpad, 104 (Page), 5 to 2, 1 to 2 and out, 2; Robbie Kean, 108 (Dugan), 5 to 2, 1 to 2 and out, 3. Time, 1:45. Only three ran.

Fourth race, The Arrow stakes, \$1,000, selling, six furlongs—Bosom, 103 (Taplin), 13 to 1, 1 to 2 and 1 to 4, 1; Spooner, 108 (Greely), 11 to 5, 4 to 5 and 1 to 3, 2; Pantouffe, 109 (Bergen), 5 to 1, 8 to 5 and 3 to 5, 3. Time, 1:11-1.5. Ida D. Homecrest and Personal also ran.

Fifth race, two-year-olds, selling, six furlongs, \$500 added—Madeline I., 93 (McCahy), 5 to 1, 7 to 10 and out, 1; Evening Song, 97, even, 3. Time, 1:13-4.5. Sphyr also ran.

Sixth race, four-year-olds and up-wards, non-winners at the meeting, selling, one mile and a sixteenth, \$500 added—Campaigner, 99 (Page), 30 to 1, 10 to 1 and 5 to 1, 1; Killcrankie, 92 (A. Smith), 40 to 1, 20 to 1 and 10 to 1, 2; Rye, 102 (Dugan), 8 to 1, 3 to 1 and 7 to 5, 3. Time, 1:47. Wilton Lackaye, Orphan Lad, Bad News, Killcrankie, Fond Meant, Aerobit, Monocle and Lord Stanhope also ran.

## ATHLETICS

Tom Longboat is sparing no effort to get into the best possible condition for his race with Shrub to-morrow night. At the exhibition track last evening he ran five miles in 26:03, and in fine style. He was accompanied the first two miles by Percy Sellen, who had about a thirty-yard lead on the Indian. Then Tom went along and completed the full five miles in the fast time stated.

Many youngsters were about when Longboat was doing his work, and their interest suggested to Tom the idea which he will put before the promoters of to-morrow's race, that lads of twelve and under should be allowed in for a quarter. "They all like to see good running," he said, "and I know even a quarter looks big to lots of lads, just as it used to look to me."

Resides Chuck Skeene and Jack Tait, Joe Carroll and Archy Lake, of I. A. C. C., have already entered the mile race at Scarborough, and Geo. Lister, of Central, Don McCuaig, of Hamilton, and Chas. Neilson, of West End, have been asked to try for prize money.

Of course Jack Tait had to go and do something startling. His mile in 4:29.5 last night was a repetition of Skeene's performance at the Irish handicaps before the team went to Winnipeg. This makes the mile matched race between the two next Wednesday night at Scarborough look like a dandy struggle.

## DETERMINED TO STOP FIGHTING.

Indianapolis, July 30.—Governor Marshall stated yesterday that he intended to stop prize fighting at Terre Haute, even if it required the presence of the military to do so.

He said: "I am going to deal with the Terre Haute situation as I am dealing with law violations elsewhere, through the judge of the circuit court. If there are no peace officers in Terre Haute, I will carry out the orders of the court respecting the violations. I have offered to supply the court with a detachment of the state militia to act as civil officers to carry out the orders."

A London haberdasher is taking liberal American millionaire's 12 new suits of silk underwear, costing in all \$750.

## CANADIAN HENLEY OPENS TO-DAY.

Hamilton Rowing Club Crews Arrived at the Course Yesterday.

The Arrangements Have All Been Completed and Officials Predict Most Successful Regatta in History.

ONE OF THE BEST scullers and oarsmen in the world are now gathered at St. Catharines to compete in the Henley regatta, which opened at 2 o'clock to-day. The Hamilton junior four and working boat four arrived there yesterday afternoon, and bright and early this morning were out on the course for a trial. The junior four stands an excellent chance of winning, and a big Hamilton contingent left at 11:20 o'clock this morning for the scene of the regatta to cheer them on.

Arrangements have been made to entertain the visiting rowing crews. A dance will be held on Saturday evening in the ballroom of the Welland House. The Daughters of the Empire will assist in the entertainment, looking especially after the refreshments. The prizes will also be presented on Saturday night on the upper lawn of the Welland.

It was very hot on the course yesterday, but most of the oarsmen got out for a spin.

Captain R. K. Barker, secretary of the C. A. O., was the first official of the association to arrive. He is at the New Murray and expects this to be the greatest regatta in the history of the association. The other officials of the association arrived yesterday and are staying at the Welland.

however, and they in turn got four hits off Leo Carroll, the last one a home run by F. Shields, which netted them four runs. The final inning saw some very strenuous playing, but neither team could tally. Outside of the seventh inning both Carroll and Adams pitched fine ball. St. Patrick's won the game by their sharp fielding and superior base running. Eddie Farrell, on short for the winners, played a beautiful game. He fielded well, and was accountable for a couple of his team's runs. Score:

St. Patrick's . . . . . 6 9 10  
Night Owls . . . . . 0 0 0

## ST. PATS. WON.

Defeated Night Owls in a Fast Game Last Night.

St. Patrick's soft ball nine were again victorious last evening when they handed a body blow to the Night Owls in a Central League encounter. The game was probably the most exciting and the most bitterly fought of any yet played in this budding league. Both teams were on edge, and made few misplays, but every error made counted runs for the opposing team. The Night Owls took the lead in the third inning, but the Irish came right back and tied the score in the fourth, and took the lead in the fifth. In the seventh the balloon went up, and by the speediest kind of base running, coupled with five hits, the Corktown representatives put the game on ice by scoring five runs. The Night Owls were not to be tampered with,

What I like is auto racing," said Jack Johnson, "The American lightweights on Saturday next, but Britt is full of confidence and looks in fine condition. He will enter the ring at 136 pounds.

Britt and Summers have met twice before. Britt was given the decision over Summers at Wonderland, London, on November 2nd of last year, in a ten-round bout, and on February 22nd last Summers was given the decision in a 20-round meeting.

When Ketchel heard that Jeffries had put up \$5,000, he said:

"Jeff is wasting his time. I am going to begin training in a week or so and will be in magnificent trim for the fight with Johnson. What is more, I am going to knock the negro out, and that will relieve Jeffries of the responsibility. I know that I can outpunch Johnson, and as hard hitting can win in nine cases out of ten, I will be the next heavyweight champion of the world. I am taking on weight now, but I am ready to fight Langford to a finish before I meet Johnson. Langford, however, does not want any of my game, for if he did he would have accepted a \$5,000 bonus to meet me at Ely, Nev., on Labor Day. That is more money than Langford ever got before and yet he passed it up when he had a chance to whip me and win a fortune.

"Let me say, however, that if Johnson should beat me, Jeffries, if he is right, will stop inside of ten rounds. Jeffries is a wonderful fighter, the best the world has ever seen."

Detroit, Mich., July 30.—In an interview here last night, Jack Johnson, the negro heavyweight champion pugilist, said that he considered a fight with Jeffries an improbability, as he anticipated that Jeffries would exact conditions which he would find it impossible to accept. He stated that he would not stand off any guarantee, but would demand straight winner and loser division of the money.

The big fighter said that the coming fight with Ketchel did not worry him, as he felt confident that he would have no trouble in defeating the middle-weight fighter.

Johnson was arrested here yesterday by a motor-cycle policeman on a charge of exceeding the speed limit with his automobile.

The pugilist was escorted to the central for any guarantee, but would demand straight winner and loser division of the money.

Jeffries insisted that he weighs only 225 pounds at the present time, although he looks much heavier. If he trains vigorously for three months, he will surely reduce to a proper fighting weight, but he may find it rather difficult to perfect his wind.

London, July 30.—Betting is 6 to 4

after that incident, it is thought the mer will not settle their differences before the latter part of December or early in January.
