BLACK VERSUS WHITE

A draft ordinance has been issued at Salisbury, Rhodeis, abolishing trial by jury in the case of serious crimes committed by natives against Europeans, or vice versa. The ordinance provides for the trial of such cases before a judge of the High Court, assisted by assessors, the judge's decision being the judgment of the court.

The Church would be Invincible

(Leslie's Weekly)

In their total membership, in their aggregate property holdings, in their combined intellectual and moral influence the churches represent enormous power, and were they united for one end, they are capable of almost any achievement in the interests of the public. In all the respects named the churches together far outweigh the combined interests of the liquor dealers, and if they acted as harmoniously and solidly together as the water dog would have no difficulty in accomplishing their purpose. Acting as one strong arm, they could strike a blow at the liquor trade from which it could never recover.

MINISTER PRAISES ZAM-BUK

Tells How It Cured His Wife's Feet

When Everything Else Had Failed

Rev. Henry J. Manton, of Black Falls, Ont., writes: "My wife had a very bad sore foot, which it seemed impossible to get anything to heal. The sore would heal to a certain point and then fester again and so on. I procured a box of Zam-Buk, and after persevering with this herbal balm for some time the sore was completely healed."

"We were so grateful for this cure, and Zam-Buk acted so differently to any other of the numerous remedies we had tried that I thought you ought to know of this case. I have since recommended Zam-Buk to several of my parishioners, and it always gives satisfaction."

Another instance in which Zam-Buk proved of unequalled value is told by Mr. N. L. Gerry, of Brandon, Man. He says: "I had my left foot run over by a wagon loaded with wheat. The foot was very badly crushed, and my little toe and the next toe were laid open. I applied Zam-Buk, and only had to miss work for two days. Zam-Buk healed the wound so quickly that on the third day I was able to get out on my foot and walk to my work. In a very short time my toes were quite healed, and the foot is now as sound as ever, thanks to Zam-Buk."

The Control of Insect Pests in Canada.

The Division of Entomology of the Experimental Farms Branch of the Dominion Department of Agriculture, Ottawa, has recently issued a bulletin by Dr. C. Gordon Hewitt, Dominion Entomologist, on "The Control of Insect Pests in Canada."

An account is given of the history of the war against insect pests in Canada and of the manner in which insect pests have invaded the country and it has been gradually opened up and cultivated. The manner in which the Dominion and Provincial governments are endeavoring by legislation and other means to prevent the introduction of insect pests into Canada and the increase and spread of those pests already here is described. An interesting summary of the various lines of work undertaken and carried on by the Division of Entomology at Ottawa is given and the general public will no doubt be surprised at the many problems which come within the scope of the Entomologist who are called upon to deal with insects in their relations to all the varied activities of man: insects affecting farm crops, fruit growing, forest and shade trees; insects attacking man's possessions and infesting houses; attacking domestic animals and livestock; affecting the health of man. All insects, however, are not injurious and the work of the Entomologist includes bees and beekeeping and the study of parasitic and other enemies which may be of assistance in obtaining control of insect pests.

Copies of this publication, Bulletin No. 9 (Second Series) Experimental Farms, may be obtained from the Publication Branch, Department of Agriculture, Ottawa.

But Parisian Sage Overcame Mine Kruger's Hair Troubles.

PARISIAN SAGE is not guaranteed to grow hair on bald heads but it is guaranteed by the well known druggist T. J. Durick to stop falling hair, eradicate dandruff and stop itching scalp, or money back. Sold in every town in America by leading druggists for 50 cents a bottle. Read Miss Kruger's letter.

"PARISIAN SAGE is the best hair grower and beautifier and dandruff remover. I lost all my hair through typhoid fever; I was almost baldheaded and my scalp was as sore as could be. I tried everything but in vain. Finally I tried PARISIAN SAGE, and after using one bottle my hair started to grow, and has grown three or four inches inside of two months." I advise every woman who wants beautiful hair to use PARISIAN SAGE. Miss M. M. Kruger, Brootown, Minn.

THE LIGHT-HOUSE KEEPER'S STORY.

FROM the Light-house at Lobster Cove Head, Bonaville Bay, Newfoundland, Mrs. W. Young sends her experience of Zam-Buk. She says: "I suffered with eczema for seven years and to my great delight Zam-Buk has cured me. The disease started on my breast, and spread until it extended over my back. The itching and burning—especially when the affected parts were warm—was terrible; and yet when the eruption was scratched or rubbed, it turned to bad sores and caused great pain. I went to a doctor and tried various prescriptions, but seemed to get no benefit, so tried another doctor. Again I got no relief, so tried a third doctor, and then a fourth.

"Seven years is a long time to suffer, and I had got used to the thought that I never would be cured, when I saw a report in the Family Herald, telling how beneficial Zam-Buk was in cases of skin disease. I bought some Zam-Buk, and from the use of the very first box I saw it was going to do me good. I persevered with it, and the improvement it worked in my condition was really wonderful.

"It eased the irritation, stopped the pain, and the sores began to dry up and disappear. In short, I found Zam-Buk all that was claimed for it and within a very short time it worked a complete cure in my case. "Since that time I have recommended it for several other cases, and in each it has proved its wonderful merit."
