tician, he was no longer entirely level-headed. The champion political curiosity of Carleton, if he is to be judged by his card to the electors, is Marcus C. Atkinson.

# AROUND THE WORLD.

The News of the World in Brief - The Cream of our Exchanges.

The government is reducing the North West mounted police force to 800. Bill Cook, the outlaw whose gang has been terrorizing the Indian territory for

months past, has been captured. The Fraser valley, in British Columbia, is again flooded, very warm weather having prevailed on the Pacific coast for the past few days.

For the first time since the Municipalities Act came into force, in 1877, Jas. Russel, M. P. P., is not a member of the Charlotte County Council.

Vice Admiral James Elphinstone Erskine is to succeed Sir John Ommanney Hopkins, whose command of the North American station soon expires. The Halifax Board of Trade has passed

resolutions favoring the idea of conducting all Canadian commerce by way of the Canadian railway and steamship lines. The Supreme Court of Canada has

given the decision that making laws for the prohibition of the liquor traffic is not within the power of the local legislatures It is idle, observes the Toronto Globe to discuss the relative merits of Scott and Stevenson as romance writers until the claims of the authors of the Canadian census have been dealt with.

The newly appointed bishop of St many more being added thereto for the Boniface, Montreal, is circulating a petition life certificate of \$2,000 and the many to be signed by all catholics, asking Lord benefits the A. O. U. W. surround its Aberdeen to interfere in the Manitoba separate school question.

The ecclesiastical court which sat on Rev. Mr. Little's case have found .im The annual meeting of the directors of guilty of making false statements against the Deaf and Dumb Institution was held Rev. J. Roy Campbell of Dorchester, and J. R. Murphy, who was defeated Mon day in the Woodstock mayoralty election, said he had all the churches holding prayer meetings praying for his defeat. They even desecrated the Sabbath day, and prostituted the house of God, said he holding political meetings in order that my defeat might be brought about.

A couble of thousand unemployed again visited the city hall, Montreal, Friday, clamoring for work or bread. The city has no means to aid them, but the mayor promised to try and get the Canadian Pacific Railway to start work on their new station, A subscription fund has been started by individual citizens.

While a party of young folks were re turning from the wedding of Jacob Moss and Miss Mary Overlees, at Pueblo, Colorado, their sleigh was struck by a passenger train on the Midland Railway at a grade crossing. The bride was killed instantly and the bridegroom died in an hour. The other occupants of the sleigh were all badly hurt.

The demonstration of the unemployed turned into a small riot at about half-past Hay, per ton .... one Friday in Montreal. The crowd, Straw, which had gradually grown larger, ob- Buckwheat, per cwt .... 1 25 " 1 30 structed the electric car track and when Oats, per bush .... 37 ordered away by the police refused to Chickens, per pair, move. A despatch to the Telegraph says that very Turkeys, per lb. little interest was taken in the proceedings. When the notice of election was Hides, first given it was supposed that Fred. Moore would be a candidate, but his business interests prevented him running an election. Had he done so there is little

doubt of his success. A fire occurred in the Butte, Montana, Hardware Company's warehouse Tuesday, in which giant powder was stored. The fire department were at work on the fire when an explosion took place, killing a number of people. While efforts were being made to remove the dead and wounded a second explosion occurred, wiping out ATLANTIC DIVISION. the entire fire department, including the chief and all the horses. The killed number at least 76 persons. Three police-

men were among the killed. Wm. Yeo, a well-to-do farmer near Summerside, P. E. I., who has been ill for some time, is now-in a dying condition. A few days ago he instructed friends to have made a cedar coffin, covered with sheet lead and made perfectly air-tight, and after his body has been placed inside the coffin, to be hermetically sealed. He also ordered a vault to be built on the ground merely large enough for the coffin, and to be bricked inside and out and covered 5.40 A. M.-Week days for Woodstock and points

with a large stone. A great spirit of unrest is felt in New South Wales, Australia. The number of unemployed men is daily increasing, agi tation has begun to assume threatening tones and the Government must take action at once to alleviate the distress or serious consequences are threatened. The revenue for November last showed a startling decrease. Though the intentions of the ministers have hinted that they will shortly raise funds for the purpose of carrying on public works to afford relief. Miss Murray, who resides near Hamilton, Ontario, reported to the police that her house was broken into late on Satur-
