characters are always inscribed in red or The Great Western Railway Company intend to run a loop line from Welland to Clifton, in order to reach the latter place without having to go to Erie or Merriton.

Out of twenty-two prisoners confined in the Penitentiary of Manitoba, eighteen are foreigners. This speaks well for the law-abiding character of the people of that Province.

of that Province.

The idea of organising a Canadian Associated Press Dispatch Association is attracting considerable attention. The initial steps will be taken at the next meeting of parliament.

How. A. G. Archibald, ex-Lieutenant-Governor of Manitoba, has been appointed Johnston, lately appointed Lieutenant-Governor of that Province.

Mr. W. O. F. Robinson, who had filled the office of Lieut Governor of Prince Edward Island for some years under the Imperial regime, has been contents.

An exchange tells a great deal of truth when it says there is one foible among housekeepers that cannot be too severely reproduced. It is a contemptible itching for a knowledge of their neighbors afficis. This curiosity leads some to encourage and listen to the scandalous prattle of their own servants concerning the domestic affairs of other families in which they have been employed. Servants are always ready to take advantage of the slightest advance towards familiarity on the part of the mistress, and when they find one weak enough to read the significant of the slightest advance towards familiarity on the part of the mistress, and when they find one weak enough to read the significant of the slightest advance towards familiarity on the part of the mistress and when they find one weak enough to read the significant of the slightest advance towards familiarity on the part of the mistress and when they find one weak enough to read the significant of the slightest advance towards familiarity on the part of the mistress and when they find one weak enough to read the significant of the slightest advance to when they find one weak enough to read the significant of the slightest advance to when they find one weak enough to read the slightest advance to when they find one weak enough to read the slightest advance to the significant of the slightest advance to when they find one weak enough to read the slightest advance to when they find one weak enough to read the slightest advance to when they find one weak enough to read the slight

Prince Edward Island for some years under the Imperial regime, has been continued in that office under Confederation.

The Bishop of Huron sailed from Quebee last Saturday, per steamship Moravian, for Europe. He has appointed the Very Rev. Dean Boomer to act as commissary until his retuin to Canada.

The City Council of Kingston and the County Council of Frontenao, have agreed to abolish the tolls upon the public reads and to make the market of Kingston free te farmers.

A brakesman employed on a freight train of the Great Western railway was fatally injured on Friday by the cars leaving the track about six miles from Guelph. His name is Thos. McLennau, and his family reside at Brantford.

The common house cricket has the notable peculiarity of possessing both incisive and molar teeth. This enables the insect to destrey roaches much larger than itself, and to eat through very tough substances. Crickets have been known to spoil the soles of boots left within their reach over night, and they will frequently made holes in wet stockings, under like circumstances. The males. These are provided with what corresponds to a little drum or tambour. There houses were entered by burglars in Stratford, on Monday night of last week. In one instance they made a noise and aroused Mr. Hesson who gave chase, and were finded three by the heavy or parchametters.

and aroused Mr. Hesson who gave chase, creek" of the insect. and who was fired at twice by the scamps.

In another house they got \$60, and in another as many cents. No arrests were In another house they got \$60, and in another as many cents. No arrests were made.

Thomas Huggard, of Sarnia, has posted up in his saloon the following notice:—"Boys are strictly forbidden to onter this saloon." In the billiard reom is another conspisuous notice intended for boys, which reads as follows:—"Boys are strictly forbidden to enter this billiard room except with the consent of their guardians."

His Excellency the Governor General wisited the Canadian Wimbledon team on board the steamer Prussian, at Quebec,

board the steamer Prussian, at Quebec, on Saturday, and delivered an encouraging address to them. In conclusion, his Lordship said it was the intention of the

Lordship said it was the intention of the Countess of Dufferin to present a gold medal to the member of the team who made the highest score at Wimbledon. This is a prize certainly worth trying for.

Mr. James Russell, of Richmond Hill, and Mr. George Miller, of Markham, both wellknown sheep breeders, sold to Mr. Jehn Hallam, of Terente, their this year's clip—the latter having 102 fleeces weighing 899 lbs., being an average of almost 9 lbs., and the fermer 47 fleeces weighing 446 lbs. being an average of plants of the second state of the se

washed Leicoster wool, and in splendid condition.

A peculiar case came before the Mayor of Stratford last week. The defendant was one Elizabeth Uhlner, who was charged with having more husbands than the law allows. From the evidence itappeared that since 1863, she had married three husbands, in Logan, South and North Easthope respectively, deserting each in turn. The caprisious female was arrested at Baden, on complaint of two of ber deserted spouses, Frederick William Struckert, and Christian Bushart, and the charge against her being proved she was committed for trial at the Assizes.

The Broce Herald says caterpillars are very numerous in some places in this size beabead. In the husben of the Canada in North Carolina, was elected at Washington from Guatemala, Central America, seeking annexation to the Usited States.

In the late editorial in North Carolina, and the others asy
