Family Christmas

The one thing that brings joy to all the household, big and little, old and young, is an Edison Phonograph with a selection of Edison Amberol Records.

The best Christmas present is something all can enjoy. All can and do enjoy the Edison Phonograph.

If every member of the family would take the money he or she expects to use to buy presents for the other members of the family, and put it together, there would be enough not only to buy an Edison Phonograph, but also a large supply of Records.

GET AN I.H.C. GASOLINE ENGINE TO WORK FOR YOU

of farms. I. H. C. gasoline engines are the farmers' willing workers that do not ask for wages or days off or refuse to work when the weather is bad. Just give the wheel a turn-and a whole string of your other machines will get busy. You can run half a dozen of them at once, if you like—sawing, grinding, churning, separating cream, pumping water, etc. Your simple, powerful I. H. C. gasoline engine will furnish power

C. engines and prosperity are going hand-in-hand on thousands

One great advantage of these engines is their ever readiness. They enable you to do your hardest jobs faster, better and easier than ever you have been able to do them before.

There are hundreds of places where you would like to use a power-some there are nundreds of places where you would like to use a power—sometimes for just a little white, other times for a long, steady run. Many a time you can have the job done with your I. H. C. gasoline engine before you could even get ready with your old-style power. If it's at long, steady run, like a day's job of sawing wood, the engine will keep your saw going steadily hour after hour. The engine will take care of itself—all you have to do is to just form your like a power.

The expense is only a few cents for gasoline for the whole day's work. The expense is only a few cents for gasoline for the whole day's work. There's no waste of time and fuel in starting up. And all expense stops the instant the work stops.

You need an I. H. C. engine to take the short cut on your work. Figure on the matter * see how soon it will pay for itself by getting full service for you out of your other matchines. The engines are simple and easy to understand. You will have no trouble in learning to operate one of them.

Go to our local agent and look over the life. It includes an engine for every section and every problem of all sizes and all costs, for all farm uses—vertical and horizontal (both stationary and portable); engines on skids, sawing, pumping and spraying outlits. It also includes I. H. C. gasoline tractors—first prize gold-medal winners—the best all round farm tractor by test. Call on our local agent in your town and talk the matter over with him.

He will supply you with catalogues and all information O write nearest branch house for catalogue and full particulars. CANADIAN BRANCHES: Brandon, Calgary, Edmonton, Hamilton, London, Montreal, Ottawa, Regina, Saskatoon, St. John, Winnipeg. INTERNATIONAL HARVESTER COMPANY OF AMERICA
