and will not combine with any other similar organization. The objects are mutual protection and insurance and friendly intercourse at semi-annual This information was given tonight

Lumberman of Winnipeg, who, is one of the originators. Mr. Hooper expects to leave for Alberta early March and will spend two months in that province completing the organ

semi-annual convention of the The Retail Lumbermen of Saskatchewan and Manitoba will be held in this city during the week of February 13th.

"I'm just wondering what kind of a receptacle I'll get for these exhibits" said Justice Stuart as he prepared to close the Denman-Clover Bar case in the Supreme Court vesterday after-noon. "I think I'll have to get a court carpenter and have a special strong box made to take them down to Calgary with me."

finished after nearly six weeks work? and Justice Stuart will spend his Christmas vacation with one hundred and seventy exhibits and notes which, if typewritten, would total fourtoer hundred pages. The expression or his face as he mentioned it, did not eem to indicate that he anticipated it with any great degree of pleasure.

ing, did not seem to have any effect on the course of the trial, for it was noon before the evidence was con cluded. After lunch Justice Stuart announced that there would be four. hours for the pleading; that he would try to devide the time equally between the two counsel; that if they had not finished by six o'clock, anything further must be given in in writing, the original to the judge and a copy to the
