Good cakes—the kind that are best for the children—are those baked at home and raised with "Paisley Flour."—Best because they are light, wholesome, and digestible, and because mothers can see that all the ingredients are clean and sound. Economy also results from home baking with "Paisley Flour." It costs less than buying from the baker, and much less than cake and bun flours.

"Paisley Flour"

The SURE raising powder.

Method.—To eight parts ordinary flour add ONE part "Paisley Flour," then follow with other ingredients.

Sold in 22c., 14c. and 5c. tins.
