Previous to 9 A.M.

OFFICIAL.

LONDON, Dec. 1. The Governor, Newfoundland, in France there is nothing special to report.

In Italy, severe fighting continues at Monte Nero, Gorizia and Carso. Further progress has been made. Two hundred and sixty prisoners were captured.

In Serbia the enemy reports the capture of Prizrend.

BONAR LAW.

ST. PIERRE BULLETIN.

PARIS, via St. Pierre, Dec. 1. Rain and fog to-day. Thawing in Champagne. Outside of the usual cannonading there is nothing else to report, but grenade fighting in the Artois, in the region of Lez, and heavy artillery firing in Alsace, which destroyed German trenches north of Mulbach in the Faecht Valley.

A Belgian communiqué announces cannonading of their front towards Ramscapelle, Pervyse, Oude, St. Nyve, Dixmude, Oudecapelle, Nordeschote and Iypegate. Belgian batteries bombarded the German front towards Route Hemme, Eesser Woumen and Blixschote.

EMPEROR'S VISIT TO VIENNA. PARIS, Dec. 1. Diplomatic circles at Rome believe that the visit of Emperor William to

Vienna was made to reconcile the divergent views of Germany and Austria, and obtain a pledge of territorial sacrifices from Hungary, in the hope of assuring the neutrality of Roumania. The Tribune of Rome says that Vienna and Berlin disagree on the question of peace. Berlin desires to break separately with the Allies to break up the Quadruple Entente, and then to crush England, but Vienna desires a real and lasting peace to end the tension, which is rapidly becoming too great for Austria to bear.

FRENCH WAR OFFICE REPORT.

PARIS, Dec. 1. An announcement on military activities in the East was given out by the French War Office this afternoon as follows: Quiet prevailed along our front (Serbian) with the exception of some artillery exchanges. Intense cold is making operations difficult to the Expeditionary Corps. At the Dardanelles the days of Nov. 27th and 28th were characterized by activity with which mining operations were conducted by ourselves and our enemies. An explosion brought about by French troops caused the demolition of a Turkish listening post, the men in one of our galleries having cut a way to a Turkish gallery. French sappers went forward, and with revolvers and hand grenades compelled the Turkish diggers to flee.

FRENCH AVIATORS.

NEW YORK, Dec. 1. The French official statement says that nothing occurred last night worth recording, with the exception of energetic cannonading by our artillery in the sector of Frise Valley of the River Somme. This activity followed the explosion of a German mine, which did no damage. In the Artois district, one of our aeroplanes, yesterday attacked two German ma-

chines behind the German lines. One of these machines was compelled to come down to the ground; the other fled and was pursued as far as Doull. During the day of Nov. 29th a French aeroplane threw down six shells of 30 millimetre calibre on some barracks located close to the railway station at Lens. These buildings were seriously damaged.

A BERLIN REPORT.

BERLIN, Dec. 1. Material damage to British trenches by the explosion of German mines, is reported by the army headquarters to-day in that portion of its statement dealing with operations on the Western front. Quiet prevails in the Eastern theatre, according to the statement, which is as follows: In the Western theatre of war west of LaBassee, extensive mining operations carried out by our troops caused considerable damage in the English position. One English and one French aeroplane were shot down, and the occupants are prisoners. In the Eastern theatre of war there is nothing to report.

BRITISH PRISONERS.

LONDON, Dec. 1. The number of British prisoners in Germany is approximately 33,000, according to figures given out in response to a question in the House of Commons to-day, by Harold J. Tennant, Parliamentary Under Secretary for War.

An official report from the Bulgarian headquarters, under date of Nov. 29th, says that the Bulgarian troops, after a short and decisive engagement, took Prizrend, and many prisoners between 16,000 and 17,000 Serbians, and also captured 50 field cannons and howitzers, 20,000 rifles, 145 automobiles and a large amount of war material. The number of prisoners continues to increase. King Peter and the Russian Minister to Serbia, Prince Trowetsky, on the afternoon of Nov. 28th, left on horseback for an unknown destination, without any other companions. The battle of Prizrend will probably end the Serbian campaign.

ROUMANIA.

LONDON, Dec. 1. Roumania will deliver an ultimatum to Austria as soon as the Entente Allies concentrate 500,000 men in the Balkans, it is reported in Bucharest, says a Central News despatch.

Use "Cascarets" for Liver and Bowels When Constipated.

When bilious, headachy, sick, for sour stomach, bad breath, bad colds.

Get a 10-cent box.

Take a Cascaret to-night to cleanse your Liver, Stomach and Bowels, and you will surely feel great by morning. You men and women who have headachy, coated tongue, a bad cold, are bilious, nervous, disordered stomach, or have backache and feel all worn out. Are you keeping your bowels clean with Cascarets — or merely forcing a passageway every few days with salts, cathartic pills or castor oil?

Cascarets immediately cleanse and regulate the stomach, remove the sour, undigested and fermenting food and foul gases; take the excess bile from the liver and carry off the constipated waste matter and poison from the bowels.

Remember, a Cascaret to-night will straighten you out by morning. A 10-cent box from your druggist means healthy bowel action; a clear head and cheerfulness for months. Don't forget the children.

Christian Brothers Collection

Too Late!

Don't wait until that Cough or Cold develops into the Cough that you are not able to throw off.

If you have contracted a Cough or Cold don't keep on saying:—"oh, its only a Cold, that will wear off after a few days." This is just where you are making one of the biggest mistakes in your life. Try a bottle of Stafford's Phosphate Cough and Cold Cure and watch results. Price 25c. Postage 5c. extra.

If you have an impression or tightness on your chest, use equal parts of Camphorated Oil and Stafford's Liniment and apply to the chest on a piece of thick flannel.

Prepared only by
