Corner Stone Laid.

Thursday, Dec. 6th was a red letter day at Heart's Delight. At 3 o'clock in the afternoon the corner stone of the new Methodist Church was laid by Rev. J. R. Saint, S.T.L.B.D. Pre-

sident of the Conference assisted by Revs. D. Hemmeon, B.A., and R. S. Smith. Mr. Hemmeon delivered a very beautiful and appropriate address which will live long in the memory of the hearers. A substantial offering was placed upon the stone. The weather, too, was all that could be de-

sired. At night the missionary meeting was held and a packed church greeted the delegation. The collection apart from juvenile offerings was the largest ever made. Extended reference to this eventful day will be forthcoming later.

As a token of Remembrance a Portrait of the giver is long cherished and thought more of than the usual ordinary gift. J. C. PARSONS, Bank of Montreal Building.—nov17,tif

Presentation Convent.

A special meeting of the Presentation Convent Association was held in the schoolroom yesterday afternoon, and quite a large number attended. His Grace the Archbishop presided, and made a very suitable address, in which he eulogized the good work being done by the Sisters of the Presentation Order in the city, and the great need there was for any material help towards the new addition just completed, which he said was the first addition to their Convent since its erection. Continuing he urged those present to use the best endeavours towards the good cause, and in so doing they would in no small way be helping him to finance matters in connection with same. It was arranged that in future meetings would be held quarterly instead of monthly as heretofore, of which due notice would be given members. The following officers for the ensuing year were appointed by His Grace: President, Miss Margaret Purlong; Vice-Pres., Mrs. J. P. Curtin; Treasurer, Miss Agnes Doyle; Secretary, Miss Margaret Walsh; Committee, Mrs. W. E. Bearns, Mrs. P. J. Fortune, Mrs. M. Shortall (Barnes' Road), Mrs. T. J. Redmond and Miss Katherine O'Regan.
