DOUGLASS' ANTICOSTIVE & TONIC PILLS.

SUGAR-COATED. ARE a safe and sure Remedy in all diseases of the Stomach, Liver and Bowels. They are no Quack Medicine, puffed up by high sounding testimonials from imaginary people, but are the result of forty years experience of a first-class physician, and their extraordinary success is due to the fact that they answer exactly their name. The formula from which they are prepared is based on sound scientific principles, and has received the unqualified approbation of the medical profession. They do not profess to be a cure all, but for all diseases arising from any derangement of the Stomach, Liver and Bowels they furnish an effectual remedy. We have in our possession, over one hundred testimonials from physicians who have used them in their practice, and highly approve of them.
