

DOMINION PARLIAMENT. HOUSE OF COMMONS.

On the return of the members from the Senate, after the opening of Parliament, a vote was taken to be held for the election of a member in the room of Hon. Mr. Chauveau.

A motion was carried for the appointment of Select Standing Committees. Sir John Macdonald moved, seconded by Hon. Mr. Howe, that it be resolved that if anything shall come in question touching the return or election of any member, he is to withdraw during the time the matter is in debate; and all members returned on double returns are to withdraw until their returns are determined. It shall appear that any person hath been elected or returned a member of this House, or hath endeavored to be, by bribery or any other corrupt practices, this House will proceed with the utmost severity against all such persons as shall have been wilfully concerned in such bribery or other corrupt practices; that the offer of any money or other advantages to any member of the House of Commons for the promoting of any matter whatever depending on to be transacted in the Parliament of the Dominion of Canada is a high crime and misdemeanor, and tends to the subversion of the Constitution.—Carried.

Mr. Blake, as a matter of privilege, moved for the production of the returns and poll-books of the Muskoka, West Peterboro, and South Renfrew elections. Mr. Blake sustained his motion in a brief speech, indicating generally the grounds on which he took action, reserving a fuller statement until the evidence to be furnished by the Clerk of the Crown in Chancery should be before the House.

Mr. Scatcherd also moved for the returns from East Middlesex. Both motions were carried, and the Clerk of the Crown in Chancery then handed in the documents referred to. Mr. Blake then said that "these papers being now in the possession of the House he desired to inform the House that he would, at the earliest opportunity to-morrow, move resolutions amending the returns for Muskoka and West Peterboro so that the candidates who received the majority of votes shall be declared duly elected, subject to the rights of all parties to petition. This was agreed to, and the House adjourned.

Ontario Legislature. March 6. Hon. Mr. Pardee moved that the report of the Private Bills Committee be adopted. This gave rise to one of the most animated debates of the session.

The eastern and western sections of the Orange body in Ontario are both seeking incorporation. On Wednesday the Private Bills Committee reported against the former; yesterday they reported in favor of the latter. The apparent contradiction was owing to a little difference in the composition of the Committee on the respective occasions, the vote in both cases having been a very close one.

Mr. Merrick moved an amendment referring back the report to the Committee, with instructions to them to report on the House the causes of their decision. Mr. Macdonald thereupon moved an amendment to the amendment, instructing the Committee to declare the preamble proven, and proceed to consider its several clauses.

After a long and animated discussion the amendment sending back the report to the Committee, with orders to pass the preamble of the Bill, was carried by yeas, 28; nays, 26. The Bill is therefore remitted to the Committee accordingly.

Attorney-General Mowat said that he had intended making his statement in respect to the Municipal Loan Fund, but of course at this late hour it would be inadvisable to do so. He would make a statement to-morrow.

A number of private Bills were then passed.

BREAKFAST.—EPH'S COCOA.—GRATEFUL AND COMFORTING.—By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately flavoured beverage which may save us many heavy doctors' bills.—Civil Service Gazette. Made simply with Boiling Water or Milk. Each packet is labelled "JAMES EPPS & CO., Homoeopathic Chemists, London."

MANUFACTURE OF COCOA.—"We will now give an account of the process adopted by Messrs. James Epps & Co., manufacturers of dietetic articles, at their works in the Euston Road, London."—See article in Cassell's Household Guide, 120670k. Mr. James I. Fellow, St. John, N.B.—Sir: Having, while at your establishment, carefully examined your Compound Syrup, I felt anxious to give it a fair trial in my practice. For the last twelve months I have done so, and I find that in incipient consumption, and other diseases of the throat and lungs, it has done wonders. In restoring persons suffering from the effects of diphtheria, and the cough following typhoid fever, prevalent in this region, it is the best remedial agent I have ever used. But for persons suffering from exhaustion of the powers of the brain and nervous system, from which so many young men suffer, I know of no better medicine for restoration to health than your Compound Syrup. I remain, yours, etc.

Dr. Wistar's Balsam of Wild Cherry is a combination and a form indeed "for healing and curing diseases of the throat, lungs and chest. It cures a cough by loosening and cleansing the lungs, and allaying irritation; thus removing the cause, instead of trying to cure the cough and leaving the disease behind.
