ROWDY EXHIBITION BY THE EDMONTON MEN

Game Forfeited to Calgary in a Very Fierce Affair on the Grounds at Edmonton

Edmonton, May 19.—The game between Edmonton and Calgary tonight was forfeited to Calgary. The game was baseball during a portion of the time, but war and rowdiness most of the time.

The Edmonton club has developed into pretty much of a rowdy outfit and if something is not done to preserve the game here, there will be many such scenes during the year.

The rowdiness started early in the game and Olson was the chief offender. In the early stages he was driven to the bench, fined and finally suspended for six days. This set the whole thing on edge.

There was a fairly good one Paddock was on the mound for Calgary and up to the eighth inning he had held the Edmonton team down to one run. In the first half of the eighth Calgary had whaled in two runs and led by a score of four runs to two.

Paddock weakened in the ninth. Two runs had scored and two men were on the bases and two men out. It was Dell's turn to bat. Edmonton substituted Ward. When he came to bat Correy came in to protest that he was not adorned in the regulation uniform, being shy of socks. There was a mix up, but Longnecker was firm. Ward went to the bench to change his socks, but was too long about it and the umpire ordered the game to go on. Paddock threw over a strike. On the second attempt Baxter ran in and interrupted the ball. Longnecker ordered him to the bench and out of the game. Baxter went after his Umpire and the latter called a policeman. In the mix up Spencer acted. The umpire suspended Baxter for six days and commenced to fine the different players who rushed into the scrap. The fans started to take a hand in the struggle and the umpire called the game giving it to Calgary by the usual score. Here is the box score:

Turf Notes

Waldo, owned by C. L. Harrison, who was mentioned as a formidable candidate for the Kentucky Derby, went lame.

All the youngsters in James R. Keene's stable seemed to fall ill simultaneously. Racers were waited with keen expectancy the appearance of the new Keene stars this season. The older horses are all right.

The Swastikas Defeated Beavers

In a loose exhibition of baseball on the East End diamond last evening the Swastikas of East Calgary defeated the Beavers by a score of 17 to 12. With the score standing 17 to 12 in their favor the lucky emblem aggregation eased up a little and allowed the dam builders to pile up eleven runs. Battery for the winners, Riley, Kenny and Dowd.

Big Lacrosse Practice Tonight

The Calgary Lacrosse club will practice tonight at Victoria Park, and all the players are requested to be present at 6.30 sharp. This will probably be the last practice held before the game in High River on May 24th, and it is up to the boys to turn out and work hard so as to be able to give a good account of themselves next Thursday.

Boils and Pimples.

Whenever your complexion is unnatural, your skin in an unhealthy condition, your face covered with blotches and pimples, when boils and festering sores about then your blood is bad. You can best cleanse it with that purely vegetable compound, Burdock Blood Bitters, which safely and promptly renovates the blood and invigorates the entire system.

Mr. C. A. Mussen, Barlt, Alta., writes: "I recommend Burdock Blood Bitters as being the best blood purifier. There is about three years ago I was greatly troubled with boils and our druggist advised me to try Burdock Blood Bitters and after taking two bottles I have not had a boil or ever a pimple."

Mr. J. M. Morthouse, Zealand Station, N.B., writes: "My face and neck were covered with pimples, and I tried all kinds of remedies, but they did me no good. I went to many doctors, but they could not cure me. I then tried Burdock Blood Bitters and I must say it is a wonderful remedy for the cure of pimples." For sale by all dealers. The good people of Calgary had a little game of thrills all their own last night, and got three different and distinct reports of the ball game in Edmonton. First it came over the wire that Calgary had won by a score of nine to nothing. This looked pretty much like a forfeited game, and as there was no particular fans were quite satisfied with the outcome. This was followed, soon after by a bulletin which showed that the game ended four all. That put a different light upon the game. But this, in turn, was followed by the first report, but this came along after most of the fans had received the other bulletins and retired in anything but good humor.

Yes, we'll take the game. We are not at all proud of it, but then there are riders in every contest and they have to be observed. That is part of the contest and if they are not observed we have to abide by the consequences.

There was no game east of Alberta yesterday, and Regina is keeping in the lead bravely. If Regina plays no more games the score will be even. It is a pity that the game is not being played in Winnipeg, which was very hard luck.

On account of the funeral of the late King there will be no baseball games in Canada today. They will be held without any sports which is an unusual thing. There will be double games in each series tomorrow.

The Edmonton series was not just what we expected. Of the four we expected an even break at the very least, but the best we could expect was a forfeited game and the next best was a draw. Up to date we have met the Deacon seven times. We had one draw and three games. That is not quite so good as we had expected. The fact of the whole matter is that the Deacon is a little bit faster than we had thought. He is a good player and we shall do it right when the time comes.

Winnipeg is out with another kick. At the meeting held in Medicine Hat last week, Winnipeg was not present. In the absence of such an august and mighty proposition the teams decided to pool all holiday games and split up on the proceeds. Edmonton alone dissented. But now up rises the Winnipegger and protest very strongly.

Sam Neelands, you all know Sam, has been appointed umpire in the Western Canada league. Sam is a ball player and knows the game from the bottom up. He is a good umpire, with plenty of nerve and a very excellent presence. He has worked here in emergencies and he handles himself very well. Sam should make good at the new job.

From the appearance of the Edmonton papers it has never been known that real joy was until the Deacon trimmed Bill Carney in the 11th inning game. Excitement was so high that some of the more enthusiastic fans threw themselves down before wild-eyed automobiles, like the juggernaut game as we read about it in the sacred books. Captain Kidd got on the grand stand and tried to jump his board bill and there were other strange, mysterious and unusual doings.

Of course we do not like to get caught by default, but I should not come to the plate, without being attired in the proper kind of socks.

As Captain Kidd of Edmonton said when the umpire ordered Ward out of the game because he did not adorn himself in the regulation hose. "That is soaked it to Edmonton all right, all right, ain't it?"

PAPKE WON IN SIXTEENTH, BUT HAD A HARD FIGHT

Thomas Made a Very Good Showing With the Thunderbolt

San Francisco, Cal., May 19.—Joe Thomas attempted to re-establish himself as a middleweight champion, but received a rude setback in his fight tonight at Dreamland rink with Bill Papke of Illinois. It took Papke sixteen rounds to knock out the Californian. A fight swing on the body sent Thomas to the mat. This was followed by several rights delivered with crushing force, which floored Thomas for the count. A match with Ketchell for the championship's next month is assured the victor. Although defeated Thomas gave a good account of himself.

EDDIE THOMPSON LOOKING FOR A GOOD MAN AT 145

A Clever Fighter, Who Has a Good Reputation

Eddie Thompson, a hundred and fifty pounder who has beat some of the best men across the line at that weight, blew into the city yesterday, and is looking for a match. Eddie will take on any of them at from 145 to 150 pounds, clean breaks. He can be found care of the Sport Editor of the Albertan.

Thompson is a good man and can make any of them in this neck or the woods step some. He stowed Martin Judge away in four rounds, and one Frisco Garvel, who was touted as the coming champ, he put to the bad in 25 seconds. He is short and chunky in build, but has the speed.

Thompson has just returned from the old country, where he had six fights, winning five by the knockout route and getting a draw for the other.

When asked what the sporting public of the Isles were laying on the Jefferson fighter:

"For seven on the white man, and all you want" was his reply.

He fought in Brussels and Paris, and took the several of the big malle in the French capital.

"There have easy meaty over there, a lot of dubs in the heavy class framing it up for a face-ye-well. This man Harry Lewis, the welter, who is borling in over there is a good one, and will be heard of I saw him fight several times in Paris and like his style. But the best of the old country mist artists is Driscoll, and he can bring any Atell that ever stepped into a ring. He is simply a wonder for speed and cleverness, and as cool as they make 'em. The fight game is good across the pond once you get in right, and the events are put on at awful cheap prices, the Driscoll fight being two bits, four, six and a dollar for the best seats."

Eddie leaves for Regina, but will be back in Calgary in a week, and will stay here until he is matched up.

HUNDRED ENTRIES FOR THE BIG RACES

A Fine Bunch of Fast Horses From Kallspeil—Excellent Races Are Expected.

F. H. Bagdale and Chas. Wright arrived this morning from Kallspeil, Montana, with seven fast harness horses for the 24th of May races.

Their string consists of Primus, 2:10 1-4; Dr. Chas. K. Cole; Miss Inferno; Chestnut Belle; Little Dart, and two others. Primus is an extremely fast pacer, and is well staked down the line at Winnipeg, Brandon, Regina, Saskatoon, Prince Albert and Edmonton in all the 2:10 paces, and is also a likely contender for the free-for-all classes.

Many predict that he is the most probable contender of any horse that is likely to be able to take the measure of the Indian, the fast and consistent pacer owned by Parslow and Haag.

Yesterday was the banner day for entries so far, and Secretary Johnson reports over 20 entries. He expects that the total will reach over 100 before the time to close.

HILLHURST II TRIMMED THE CITY INTERMEDIATES

It Was a Very Good Game With the Score Two to Nil

The Hillhurst Intermediates put it over the City eleven last night by a score of 2-0. In the first half a good exhibition of the soccer game was given, but in the second the speed started to play havoc with several members of both teams, and as a result the finish was rather a tame one. Waskely, McEwan and Toole for the Hillhurst showed to advantage, while McClure and Newman for the City, and Childs and Newman on the half line, put up the best game for the city.

The teams lined up as follows:

City—McClure, Sinclair, L. Jackson, G. Brown, Childs, Roth, Newman, Drummond, Neale, Kilby, Parslow.

Hillhurst—Smith, Murdoch, Hanna, Smalley, Baldwin, Counsel, G. Wakely, F. McEwen, Jeffcott, Toole, Kurth.
