This is as nice a team to handle at all kinds of work as proprietor ever owned; 2 Bay Colts, rising 3 yrs. old, Geldings; Brown Gelding rising 4 yrs. old; Cream Mare rising 3 yrs. old; Lumber Wagon; Flat Hay Rack; Mower; Plow; Set Iron Harrows; set Double Light Harness and other articles. Parties wanting first-class heavy horses should attend this sale. Terms—\$10; 10 months and 6 per cent. Lindsay & Pound, Auctioneers.

CALTON

The church and school is yet closed. Miss Vera Chalk, of Aylmer, is visiting her cousin, Miss Ettie Timpany. Mr. and Mrs. Ira Mitchell, and daughter, Nettie, are ill with the Spanish Flu.

It is rumored that Mr. A. Bain and G. Denwoodie has bought the A. Chiverton farm north of here. Mr. and Mrs. Bruce Bowers and son Fred, of Maple Grove, visited G. W. Cartwright's on Sunday. The telephone company has been renewing the telephone lines and poles and we should now have better service.

Miss Lela Ball of Mt. Salem, has resigned her position as clerk at A. Dell's store and has gone home. Miss Mary Buck of Fairview has taken her place.

Mr. Harry Lloyd, who has been working for L. Benoit on the Talbot Street has hired to Winford Esseltine, for a few months.

The neighborhood was very sorry to hear of Mr. Shaffer's death in Detroit, of influenza and pneumonia. He is a brother-in-law to Mrs. A. Dell, and always spent most of his vacation in the country here. Mrs. Fanny Pulham received a telegram Monday morning that her husband, Corporal Edwin Byron Pulham, of the Military Hospital, Orpington, had died of influenza and pneumonia, on October the 31st. She has sympathy of the entire community.

SPRINGFIELD

All flu patients are progressing favorably. Mr. and Mrs. Geo. Sitts enjoyed a visit from the former's mother, last week.

Mr. and Mrs. Swance, of Woodstock, spent Sunday with Mr. and Mrs. Geo. Sitts. Mr. Wm. Charlton is about again. It goes to show that you can't keep some people down.

Mr. and Mrs. Ern Millard, and son Jack, and Mrs. Beecroft of Aylmer, spent Sunday with Mr. and Mrs. L. O. Purdy.

A few more of the hunt club are going to chance a trip up north this week. We wish them luck and good health.

The churches were closed again on Sunday. We are hoping they will be allowed open next Sunday if the flu dies out.

The flu seems to be abating nicely in this district. Strong hopes are entertained that it will leave us as quickly as possible.

Mr. Wm. Burgess is putting a new verandah of his house, which certainly makes a vast improvement. Things are looking up.

The people of Springfield were given the privilege of seeing what was supposed to be a German whipped tank one day last week. It was on a flat car going to Jackson, Mich., to be exhibited as a war trophy. It was a three man machine and had seen hard service. If it had to stop very many more places on its way to Jackson, I am afraid there would not be very much of it left to exhibit. It was simply stripped of all movable and unmovable parts as souvenirs. It was a shame to tear such a valuable article to pieces as it was. One thing it brought the realization of war nearer home.

MAPLE GROVE

Mr. John Stewart has purchased a Ford car. Mrs. Frank Ketchabaw was ill a few days last week.

Wilfred Ketchabaw, M. C. R. engineer, died at his home at Niagara Falls, Monday a.m. last, of pneumonia, following the Spanish influenza. He was a son of Mr. and Mrs. Lewis Ketchabaw of this place. A few years ago he went to St. Thomas, where he entered in service of the M. C. R. About three years ago he moved to Niagara Falls where he has since resided. Besides his parents he left his wife very ill and one son two years old. Two sisters, Mrs. Alonzo Harvey, of Embro; Mrs. Ed. Winder of Aylmer, and four brothers, Police Sergt. Mahlon Ketchabaw, St. Thomas; Ira, of Eden; Grover, of this place and Chester at home. The remains were taken to St. Thomas for burial.

The sad death of Mrs. Wilfred Ketchabaw of Niagara Falls on Wednesday p.m., of Spanish influenza, following that of her husband, on Monday. It being particularly sad as she leaves a son of two years to mourn the loss of loving parents, also her mother, Mrs. John Grant, of Niagara Falls and four sisters, Miss Jessie of Springfield; Miss Bessie of Stratfordville and Will Wolf, near Grant near Stratfordville, who have the whole community in their sad bereavement. Mr. and Mrs. Ketchabaw were both well known in this vicinity.

LAKEVIEW

Mr. Ney Chute joined the hunters excursion to Northern Ontario last week.

Mrs. T. McGord and small daughter of Pt. Burwell, took dinner with Mr. and Mrs. W. Marr, last Wednesday.

Several from here were guests at the Herries Chute wedding last week. The happy couple are expected home from their bridal trip this week.

Judge Teetzel and Miss Sara Teetzel, returned to Santa Barbara, Cal., last week accompanied by their sister, Mrs. Ney Chute, who will spend

The Flavour Lasts! "After Every Meal"

several months in that land of roses and sunshine. Several who were victims of the flu are recovering through Mr. Perry Williams and Mr. Russel Harrison, are still confined to their beds. Mr. Roland McClelland who was very low with pneumonia is recovering.

Mrs. Catharine Chute, of Grovesend who is almost 96 years old, visited her sister, Mrs. Tanner Chute, who is 94 years her next birthday, last week. They had not met for a year and a half, as the distance is quite a journey now, without the Stalter bridge. The two aged sisters spent a happy day together.

Miss Ethel Raymond has taken a position in Mr. Wm. Jones' store at Stratfordville.

MAPLETON

Mrs. Taylor of the 12th con. of Yarmouth, is again very low with heart trouble.

Arthur Moore left last week with a party of hunters from near Lyons for a two week's outing in New Ontario.

The influenza sufferers in this community are all reported on the mend. Archie Campbell of Ft. William, and Dr. F. Campbell of Kansas City, Ka., came home last week to be with their brother George in his last sickness.

Mrs. Douglas Harvey of West Branch, Mich., arrived last week to visit her mother, Mrs. A. Bray.

Owing to the influenza epidemic the Women's Institute has decided to dispense with its November meeting.

GREATER WHEAT ACREAGE NEEDED

The Canadian wheat crop for 1918 proved disappointing, despite the increased efforts to put a larger acreage into crop. This effort must be renewed for 1919. Victory is in the air. Canada must not relax in her task of furnishing supplies. It is important that the greatest possible wheat acreage be plowed this fall. The United States crop this year was fortunately a big success. Next year it will be Canada's turn. The Allies depend upon us.
