July Month for Battles. The month of July has often been lescribed as the "month of battles," and its name is certainly not undeserved. Thus on July 1 in the year 1690, took place the battle of the Boyne; on the 3rd July, 1863, that of Gettysburg, and, in 1866, Sadowa (Koniggratz). On July 3, 1879 was fought the battle of Ulandis on July 4, Oudenarde, in 1708, and Alexandria in 1882. July 13 offers an exception, 'peace with honor' treaty of 1878. The storming of the Bastile took place on the 14th July, 1789, while on the 17th 288 July, in 1870, began the Erangq-Germiral Rooke captured Gibraltar, while the 27th July has two records—the first, that of Killiecrankle, in 1689, and the other that of Talayera, in 1809.
