Consumed Quart of Whisky Daily.

If you know anyone who drinks alcoholinany form, regularly or periodically, let me send my FREE book, "Confessions of an Alcohol Slave." It reveals something important; explains how yor can quickly cure a drinker. I drank beer at first, then gradually developed into a drinker of strong liquors. When drinking heavily, I wouldn't hesitate to pawn my coat or break a saloon window to get spirits. For long periods I would drink over a quart of whisky, rum or gin daily—with some mixed drinks and beer additionally! I went from bad to worse. I damaged business, health and social opportunities, made my family miserable, lost real friends and became an unworthy, unwelcome burden upon all except the saloonkeepers, who cheerfully took my money for the poison they gave me. Aicoholism is terrible!

For I 6 years I kept it up, and I was regarded as a hopeless case. Various "cures" did me no good. But now I have a joyous message for drinkers and their

Mothers, Wives, Sisters

Wonderful Cure for Drink Habit

My cure took 3 days; if I had relied upon will power or faith I would still be a drunkard, because an alcohol slave has no will power while drinking. I rejoleed so greatly at having found a true cure that I decided to devote my life to removing the curse from others. My success has been marvelous. During eight years I have supplied the Treatment to many thousands of men and women who were addicted to drink; the list includes very many persons notable in all walks of life, including those of brains and those of physical energy. If I were permitted to mention names of those who have been saved through this quick, permanent cure the public would be astonished. They include public officials, great lawyers, bankers, clergymen, noted merchants, skilled mechanics, trusted managers and clerks, farmers and others in all yocations. I tell about the secret in my book, which I send FREE to every person (or relative or friend) who takes alcohol in any form to excess. My one purpose in life is to cure the drunkard. I rejoice in every cure, each victim has my sympathy. What I promise is absolutely guaranteed.

My remedy is for steady or periodical drinkers. Think of it—a complete and permanent home cure between Friday night and Monday night—or any other 72 hours! I also supply a reliable Treatment which cures drinkers without their knowledge. It is the genuine secret method.

Men and Women, Any Age, Quickly Cured to Stay Cured. Three Days—That's All.

To relatives, friends or employers! I say—if you want to care a drinker in the quickest time and permanently, with or without his knowledge and with absolute safety, read my book—it changes despair to joy.
