

EASTER IN THE LOCAL CHURCHES

Despite the Bad Weather the Congregations Were Very Large.

MUSIC WAS BEAUTIFUL

Some of the Subjects Touched Upon by the Pastors of London.

The local churches yesterday, decorated with Easter lilies and other flowers, were a great contrast to the prevailing weather. As it was Easter Sunday, large congregations attended all the services to hear the old familiar Easter story, and also to hear the special music prepared by the various choirs for the occasion. In some of the larger churches musical programmes of a pretentious and difficult nature were rendered.

The Resurrection.
During his Easter sermon last night, Rev. W. H. A. Clark, of the Southern Congregational Church, said: "It is true that Jesus rose from the dead, then it is true that He is the Son of God. It is on this fact that we build our faith. This is the assurance that we shall conquer death. There is no resurrection. It is a joy to Christians, but a cause for serious consideration to the man who refuses to accept Christ and believe in His resurrection, for there will be a judgment day."

Annual Rally.
The annual rally of the Sunday schools of the First and Southern Congregational Churches held in the latter church was addressed by Rev. Herbert Whitmore, the new pastor of First Congregational Church, and Rev. Stevens of the China Inland Mission. The music, which was of an Easter nature, was furnished by the members of the Southern Sunday school.

Easter in St. George's.

Easter services were conducted in St. George's Anglican Church yesterday by the rector, Rev. O. K. Sage. The church was decorated with palms, Easter lilies and other flowers, and the chants, anthems and hymns were especially chosen for the day. In the morning Dr. Sage preached from St. Matthew, xxviii, 6: "He is not here, He is risen," and spoke of the lessons to be learned from the empty tomb of Christ. "The empty tomb declares first of all that Jesus was actually dead. Some said Jesus did not die, but that he only swooned and came back to life. But if we go back to the story of the crucifixion and read of all the suffering and torture of that awful day, can we doubt for a moment that Jesus died? Jesus did die, and arose again," Dr. Sage further pointed out that Christ's tomb was in a garden, which was rather remarkable, as the Jews used to bury their dead outside the city in places of desolation, but our Lord was buried in a garden. "The tomb signified death, but the garden signified life—in its fullest, richest and most beautiful form," and the tomb has about it the hope which the garden tells of the imperishable life to which we are all called."

Salvation Army.

The services of the Salvation Army yesterday were largely of a musical nature, and were given by the Chatham Silver Band, assisted by the local band.

Eleven New Members.

Rev. G. W. Dewey, pastor of Emmanuel Methodist Church, received eleven persons into full membership of that church last night upon the conclusion of the evening service. Richmond Street Methodist Church, Rev. R. Smith Baker occupied the pulpit of Richmond Street Methodist Church last night.

Tonight Mr. Harold Steele will give a paper on "A Study of the Writings of Samuel" at the Epworth League meeting in the church.

Vestry Meetings.

Today, being Easter Monday, the annual vestry meetings will be held in all the Anglican churches of the city.

In the Auditorium.

Dr. Ora Gray addressed the men's meeting in the Auditorium Sunday afternoon on the subject, "What Kind of a Man Your Sister Should Marry." Dr. Gray explained the results of unclean living, and the danger of contracting to live clean and exemplary lives. A large number of men listened to the speaker and at the close of the meeting several young men announced that they were going to change their manner of living.

Rev. Mr. Inkster Absent.

Rev. J. G. Inkster was in Montreal yesterday, and the pulpit of First Presbyterian Church was occupied by Rev. W. B. Cooper. The sermon was on an Easter nature, the subjects being "The Gospel of Easter," and "The Call of Easter." Special music was rendered by the choir under Mr. Vivian Reeve.

YEARS' THROAT TROUBLE 5 AND INFLUENZA CURED

EMINENT DOCTORS FAILED TO CURE—HAD GIVEN UP HOPE.

This Case Does Prove That When Catarrh is Breathed Every Trace of Catarrh Disappears.

Milford Haven, Dr., April 8.—Every one in this neighborhood knows the long suffering from influenza and catarrh endured by Mrs. D. Gurney. Today she is well. Her recovery is due entirely to Catarrhazone. This is her own statement: "I was a great sufferer from catarrh in the head, throat and nose, and endured manifold tortures of influenza for years. My life was despaired of, Catarrh was undermining my strength very fast. I used treatments from eminent doctors, but all failed to cure me. I had given up hope of ever being well. Then I read of a wonderful cure made by Catarrhazone. Immediately I sent for Catarrhazone, and before I had used one bottle I was greatly relieved. Today I am cured. We would not be without Catarrhazone in our home—it is so sure in colds, coughs, bronchitis and throat trouble. I feel it is my duty to publicly recommend Catarrhazone."

Get the large dollar size of Catarrhazone; it contains a beautiful hard rubber inhaler, and medicine that lasts two months. Smaller sizes, 25c. and 50c. each. Beware of imitations—accept only Catarrhazone, sold by all reliable dealers or by mail from The Catarrhazone Company, Kingston, Ont., and Buffalo, N.Y.

rendered by the choir under Mr. Vivian Reeve.

York Street Mission.
Evangelist Belcher, of York Street Mission, spoke last night on "The Resurrection." Special Easter music was rendered by the children and by some of the leading soloists of the city.

New St. James' Church.

The choir of New St. James' Presbyterian Church, at their evening service on Sunday, presented that beautiful cantata, "Olivet to Calvary," by Maumder. The solos were ably rendered by Miss Decker, Mrs. Chapman, Mr. Guy, Mr. Gemmell, Mr. Irvine and Mr. Mountjoy. The choruses were well rendered, showing a great deal of study and practice, and reflect great credit upon the choir and their able choir-master and organist, Dr. Pierce.

Prizes Distributed.

Prizes were distributed in the St. James' Church (South London) Sunday School on Easter Sunday. The teachers take a deep interest in this branch of the work, but everything was in order, and the successful scholars were called to the platform and presented with the reward of merit. A custom in this school intended to encourage regular attendance, is to award a diploma, neatly framed, to each scholar who attends every Sunday during the year. Twenty-seven of these rewards were given yesterday. The school is in a most prosperous condition. The Lenten offering for missions was \$46, besides \$50 given for education of the Indian boy.

Easter services in St. James' Church.

Easter services in St. James' Church, South London, were particularly bright and cheerful. The choir of nearly 50 voices rendered the special anthem and hymns with good effect. The whole service was very hearty. The rector preached at both services. The morning subject was from Matt., xxviii, 32: "Fear not ye." The evening subject, from I. Cor., xv, 55: "Victory over death." There was a large number of communicants at each service.

Dr. Yeuill's Services.

Easter services yesterday at the Christian Church were exceptional in power and interest. "The Tomb in the Garden" was the subject of Dr. Yeuill's morning sermon, and the great facts on which the Christian hope is based were made to stand out as living realities. In the evening Dr. Yeuill spoke on "The World's Easter Question," which was a searching study as to how to bring the resurrection life into the souls of men. The great burden and point in this is to have it so fully and evidently in our own hearts and lives that the reality of it will come helpfully to other lives. We must care for others and show that we care. The text was Psalm, cxlii, 4: "No man cared for my soul." Many came forward at the invitation. The full house and profound interest indicates that this last week of the meeting is to be the most fruitful. Tonight the illustrated song, "Tell Mother I'll Be There," will be given, and Miss Roth is to sing. Baptisms each evening as desired.

Church Notes.

Miss Forman, of Stratford, will lecture on "A Visit to the Galilean Mission at Pagan, Alberta," at tonight's meeting of the Epworth League of Wellington Street Methodist Church.

Mr. Westaway, a recently returned missionary from China, will address a meeting of the Young Ladies' Mission Circle of Centennial Methodist Church next Thursday night.

A social evening will be given by the Men's Baraca Class in Egerton Street Baptist Church, at 7 o'clock, Tuesday evening. The meeting of the Epworth League of Asin Street Methodist Church tonight will be conducted by the officers of the local union.

The Young Men's Club of King Street Presbyterian Church will hold a debate this evening as to which is the more helpless, the young city man in the country or the young country man in the city.

All Church services will be conducted at the Aged People's Home tonight by the members of the Young People's Guild of New St. James' Presbyterian Church.

The annual meeting of the Women's Missionary Auxiliary of First Methodist Church will be held this afternoon, when the officers for the coming year will be elected. The election of officers for the Epworth League of the same church will be held this evening.

OSTEOPATHIC DOCTORS MEETING IN LONDON

Delegates Welcomed by Mayor Graham at a Session This Morning.

The semi-annual meeting of the Doctors of Osteopathy in Ontario is being held at the Tuxedo House with an attendance of about 50 members. Owing to delayed trains, the majority of them did not arrive until noon, and the morning session had to be abandoned.

At noon, the visitors were entertained at luncheon. Dr. Back, of Toronto, presided. Mayor Graham responded to the toast of "Ontario," and gave the visitors the freedom of the city.

Dr. Back reviewed the work of the year, dealing briefly with the recent legislation which gave osteopaths recognition. It was a matter of congratulation that the standing of osteopaths was recognized.

Papers were read by Dr. Smith, Owen Sound; Dr. Grothe, Hamilton; Dr. Heist, Berlin, and others.

There was an open discussion on the legislation passed, many of the delegates present taking part. All were pleased, and it was stated that the profession had a great future in Ontario.

Among the delegates present were Dr. Back, Toronto; Dr. Smith, Owen Sound; Dr. Grothe, Hamilton; Dr. Heist, Berlin; Dr. E. J. Gray, St. Thomas; Dr. T. V. Anderson, Sarnia; Dr. and Mrs. Gendy, Brantford; Bernard McMahon, Toronto; Dr. Robert Henderson, Toronto; Dr. F. Brown, London; Dr. D. H. Bell and Mrs. Bell, Chatham; Dr. Good, Toronto; Dr. Detweiler, Dr. Hanson, and others, of London.

The Princess Theatre.

The staging of "film plays" has cost fortunes, but possibly the "western film" that has cost the most money to "produce" is the one shown today and tomorrow at the Princess Theatre. This film contains over two thousand feet of pictures, and was sent to Manager Stewart strongly recommended as one of the very best. Another attraction at this popular theatre is Hughes and Logan in the comedy sketch, "McSweeney's Mistakes." The mistakes are numerous, and follow each other in rapid succession. Open afternoons and evenings.

The Royal Line
THE PURE AIR ROUTE
Fresh, crisp, bracing, ocean air, pleasantly warmed, is supplied each cabin by the thermo-tank system of ventilation on board the Royal Mail Steamships.
ROYAL EDWARD and ROYAL GEORGE
from Halifax to Bristol. The atmosphere of the entire ship completely changed every five minutes. It is the most healthful, comfortable and shortest route to Europe.
For full information, apply to steamship agents or H. C. BOURLIER, General Agent, Toronto, Ont.

TRIED TO DRIVE A BURNING CAR

Former London Man in Fierce Blaze in Detroit, Michigan.

ALMOST LOST HIS LIFE

William J. Avery Appears to Have Put a High Value on Autos in a Garage.

[Special to The Advertiser.]
Detroit, April 8.—Surrounded by a lake of flame, with fierce tongues of fire darting around him, the thoughts of Wm. J. Avery, employed at the Detroit Auto Company garage, 68 and 70 Adams avenue west, were solely of the safety of the motor cars housed in the building, when the structure was burned.

Jumping into the car that was aflame, and in which the motor still was running, Avery threw on the clutch and the car sprang toward the door. Around the machine the flames leaped, lighting the oil-covered axles and under parts, and curling around the wooden body and the chauffeur's seat.

A splutter was followed by a loud explosion, and the car came to a standstill amid burning gasoline and oil.

Efforts of No Avail.
Seeing that his efforts to rescue the machine were of no avail, Avery was forced to leave his dangerous position. In his attempt to save the car, he was badly burned about the hands and arms, and the hair was singed from his head. He managed to turn in an alarm of fire. The inflammable contents of the building were destroyed before the fire department could arrive. Eleven machines, makes, sizes and descriptions, were destroyed. It was with considerable difficulty that the blaze was extinguished by the firemen, as the flames surged from one portion of the building to the other.

Avery came to Detroit from Canada a week ago. He has been employed at this place but a few days, boarding in Lafayette avenue. He is said to have been employed in London, Ont., too a short time ago.

His hair singed and his hands raw with burns, he stood by until the fire was out, assisting the firemen and rescuing the remaining cars of gasoline that threatened to explode.

The fire spread to the roof and burned through. The stored motor cars could not be saved on account of the intense heat, and the danger of an explosion of gasoline in the tanks of the machines.

The firemen, however, managed to confine the fire to the one building. Employees of the Detroit Taxicab Company, immediately behind the burned structure, moved all their machines to safety at the first outbreak.

Young women in the Detroit Young Women's Home, adjacent to the Detroit Taxicab Company, were all prepared to get out at a moment's notice.

Was Hammond's Car.

To one of the cars, that of Dr. Thomas F. Hammond, is a peculiar interest attached. It was the machine belonging to Dr. Thomas F. Brady, that Chas. Hammond stole from in front of the Penchartrain, a short time ago. It was acquired on charge of stealing \$17,000 from the E. M. F. Motor Car Company.

His subsequent adventures in the machine, which he drove to Columbus, Ohio, and there disposed of, were a credit to his trip to the Canadian Northwest, his arrest there, and his return to Detroit to face trial.

He is now serving five years for theft of the machine that now lies in the ruins of the garage.

The firemen had considerable trouble in extinguishing the flames, which spread to the roof. The structure is a total loss.

"SALT RHEUM"

Had It On Hands For Two Years.

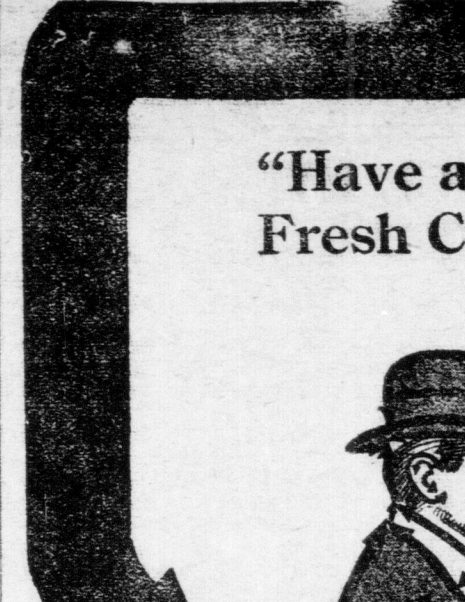

ITCHED SO DID NOT KNOW WHAT TO DO.

Tried Three Doctors and Went to Hospital.

All skin diseases are more or less occasioned by a bad state of the blood, and no one can expect to be free from some form or other of skin trouble unless the blood is kept in good shape. All skin diseases can be very easily cured by the wonderful blood cleansing properties of Burdock Blood Bitters. This is due to the unrivaled purifying action of Burdock Blood Bitters on the blood, coupled with the thorough manner in which it cleanses and expels the impurities from the body.

Mrs. Richard Trippe, White Head, Que., writes: "I have been bothered with salt rheum, on my hands, for two years, and it itched so I did not know what to do. I tried three doctors, and even went to Montreal to the hospital without getting any relief. I was advised to try Burdock Blood Bitters, so I got three bottles, and before I had the second used I found a big change, and now to-day I am cured."

Burdock Blood Bitters has been on the market for about 35 years and is manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

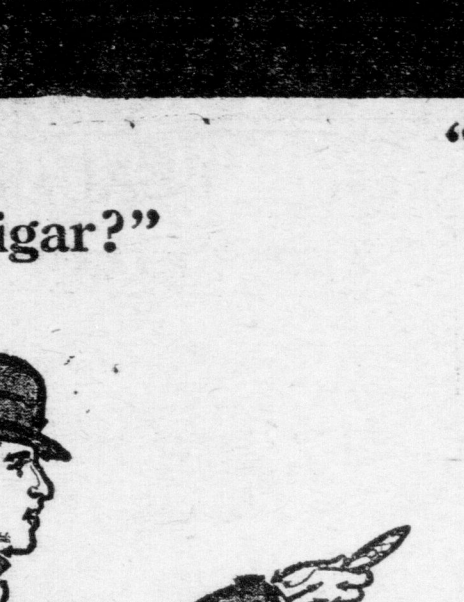

"Have a Fresh Cigar?"

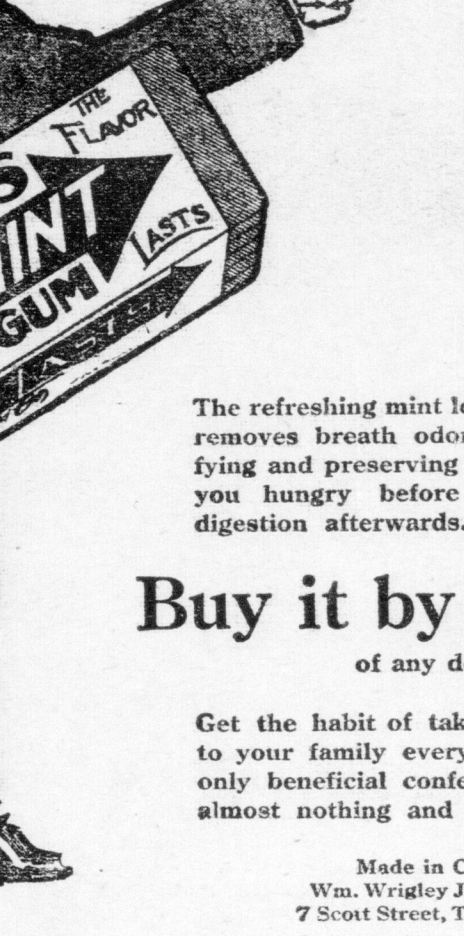

Wrigley's Spearmint Gum
The Flavor Lasts

It costs LITTLE by the package, but LESS by the box!

The Flavor Lasts

"No thanks, I'm going home to kiss my family. Have you any SPEARMINT?"

Wrigley's Spearmint Gum
The Flavor Lasts

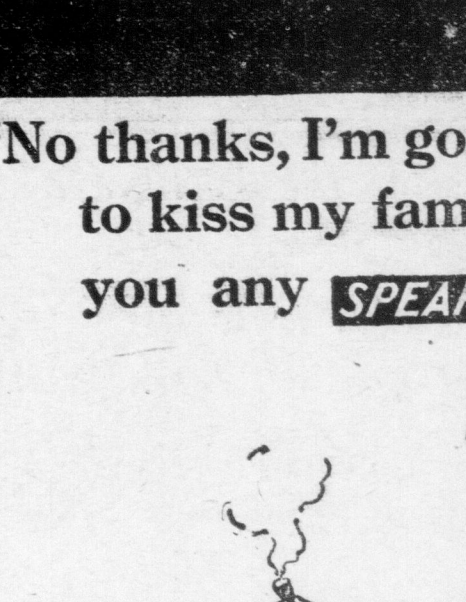

The refreshing mint leaf juice instantly removes breath odors, besides purifying and preserving teeth. It makes you hungry before meals and helps digestion afterwards.

Buy it by the Box of any dealer

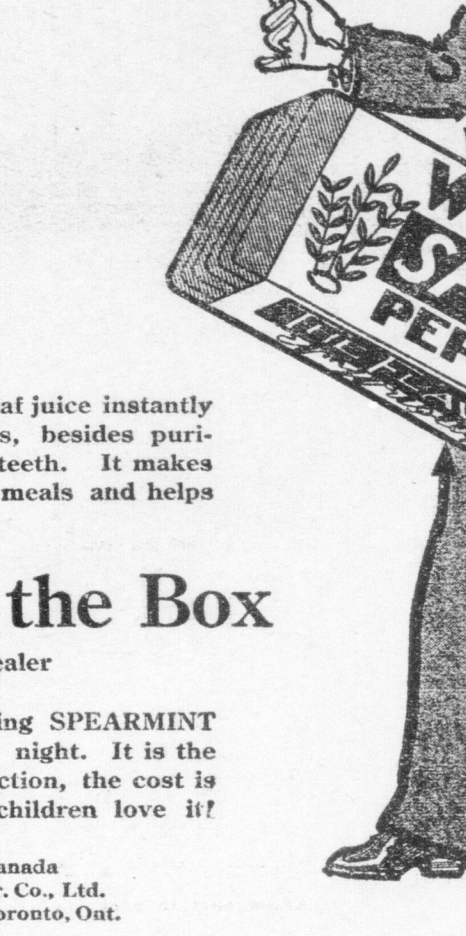

Get the habit of taking SPEARMINT to your family every night. It is the only beneficial confection, the cost is almost nothing and children love it!

BRUCE OLD BOYS.

[Special to The Advertiser.]
Kingstonside, April 8.—Mr. J. J. Hunter, editor of the Kingston Reporter, left today for Detroit, where he is to give an address at a meeting of Bruce Old Boys to be held there on Tuesday evening.

"I Suffered Years With My Back."

Backache resulting from weak kidneys, a bad cold or other cause, usually renders the sufferer unfit for work and often results in permanent disability.

"I suffered for years with my back, or kidney trouble, and have tried a number of remedies from different physicians. More than a year ago, one of our local druggists induced me to try

Dr. Miles' Anti-Pain Pills and after using them some three months I found a decided improvement in my kidneys, and I am glad to say that I hope soon to be fully restored to health." J. P. ALLEN, Ex-Judge City Court, Glasgow, Ky.

As long as pain is present in any part of the body rest is impossible and the system becoming weakened is exposed to any form of disease to which the sufferer may be inclined.

Dr. Miles' Anti-Pain Pills by steadily the irritated nerve centers, make refreshing sleep possible, thereby enabling the body to recover lost strength. As a remedy for pain of any description Dr. Miles' Anti-Pain Pills are unsurpassed.

Sold by all druggists under a guarantee assuring the return of the price of the first box if no benefit results. MILES MEDICAL CO., Toronto, Can.
