

That "Kruschen" Feeling!

Game for anything!

Here he is again — just as sprightly as ever! The youngster eggs the old boy on, of course; but he doesn't need much of that! How the place echoes to the happy, irresponsible laughter of these two jolly lads of six and sixty! Their energy seems tireless, their whole-hearted enjoyment of life unending.

That's because they've both got "that Kruschen feeling!"

Every morning Grandpa drops into his breakfast cup of coffee or tea just enough of the magic Kruschen Powder to cover a 10 cent piece. Half that much stirred into his porridge is enough for sonny. Neither of them can taste the tiny dose, but it keeps them always fit

and well, so that the Kruschen Kid is everything that a jolly, healthy youngster should be, and Grandpa is as young in spirit as his grandson. That's what Kruschen does for them.

Good health largely depends on a clear blood-stream, which in turn depends on the active working of the internal organs. The Kruschen habit gently stimulates the liver and kidneys to proper activity and thus removes all impurities from the system. This ensures that the blood-stream is always clear, the body strong and healthy.

Is this gift of glorious vigour worth half a cent a day to you? That is all it costs. Next time you see a drug store, go in and ask for a bottle of Kruschen — 160 doses of "that Kruschen feeling" for 75c. Get a bottle to-day.
