The series of lectures to be given by Dr. Moulton in his November visit are quite outside the range of most well-known lecturers, and should prove unusually attractive to the literary people of the city, as well as to the seekers after knowledge in other lines. Dr. Moulton holds that the chief service an expert can render is to widen the range of interest of the people to whom he ministers, and this series will certainly serve that purpose. The opening lecture on Friday evening, November 8, is on "The Wandering Jew," and has always been one of his most popular lectures. He appears, as hitherto, under the auspices of the London Froebel Society, and the lectures will be given this year in the First Methodist Lecture Hall.

EPWORTH LEAGUES' ANNUAL SESSION

Many Delegates Present and Encouraging Reports Are Received

The annual convention of the Epworth Leagues of London district was held in Colborne Street Methodist Church yesterday, with sessions morning, afternoon and evening. A large number of delegates were present and papers of practical value were presented that showed a live interest in the work of Methodism's Young People's work.

Rev. P. H. Bartlett, field secretary for Epworth Leagues and Sunday Schools, was present and his addresses were listened to with pleasure and interest. The officers elected for the coming year are: President, Dr. A. K. Reynolds; vice-president, Mr. Wm. Courtice; representative to the central executive, Rev. D. E. Martin, and Miss J. Powell, treasurer.

CITY NEWS

Mrs. W. F. De Witt Jarvis will receive first and third Friday at her home, 365 Central avenue.

Miss Kearney, one of the most widely traveled missionaries in the world, will speak to-night at the Ashin Street Methodist Church. It is said that Miss Kearney is one of the most finished platform orators.

There will be a union Thanksgiving service of the Methodist Churches of the city in Wellington Street Methodist Church on Thursday at 11 a. m. Rev. E. B. Lumsden, of Dundas Centre Church, will preach.

Rev. Dr. Courtice, of Toronto, delivered the third of a series of lectures on "The Life of Christ" to a good-sized audience in the lecture room of Dundas Centre Methodist Church last night. The course is specially intended for those interested in Sunday school work. Dr. Courtice gave an interesting review of his former lectures and answered several questions by individuals in the audience. Dr. Courtice dwelt particularly last evening on the Jewish ministry of Christ. The lecturer gave an entertaining and instructive account of this period of the life of Jesus, dwelling particularly on the great events of this period, such as "Christ's Cleansing of the Temple," "The Conversation With Nicodemus" and the "Calling of the Samaritan Woman at the Well."

The next lecture of the series will be held Tuesday, November 5.

Hornby-Scott.
A quiet wedding was solemnized last evening at the Wellington Street Methodist parsonage, when Mr. Francis Edward Hornby was united in marriage to Miss Annie Scott, both of this city. Mr. J. Ross was groomsmen and the bride was attended by her sister, Miss Alice Scott. Rev. James Livingstone, pastor of the church, performed the ceremony.

"In Cap and Gown"
The breezy little college paper, which was published last year by the Literary Society of the Western University, will be continued in an improved form this year, and the first number will appear about November 8. It has been decided this year to make the magazine more of an undiluted publication than in the past and the medical school will also be allotted a part of the space each month for news from that department.

Thanksgiving Recital
There should be an interested audience in the First Methodist Church to-morrow evening, when Mr. Jordan gives another of his popular recitals. The assisting artists are Miss Eva Van der Meer, mezzo soprano, and Mr. Maurice Poirer, violinist. This combination of artists is one of the strongest attractions of the series. Mr. Jordan will play on orchestral programme by desire, including "Barythme" overture, "Porgy and Bess" and other numbers. Silver collection of not less than ten cents at the door. Recital promptly at 8.15.

Social at St. James.
The social at St. James schoolhouse last evening was a most successful entertainment. The schoolhouse was crowded and was decorated with Japanese trimmings. A short programme, consisting of a quartette, by Misses Sanborn, Oliver and Messrs. Switzer and Wilkerson; a clarinet solo, by Master L. David; song, Captain Robson; song, Miss Oliver; recitation, Mr. Alexander, was given. Refreshments were served. The reciter expressed his pleasure at seeing such a large gathering and hoped all would enjoy themselves.

LONDON TO LAKESIDE VIA TROLLEY CAR

Opening of the First Completed Radial Railway Line Out of the City

The Southwestern Traction Company will formally open their line to Port Stanley today. Yesterday the first car ran through from London to the lakeside, having on board the invited guests of the management. The trip was a delightful one, and was made in fast time. It was apparent that ordinarily the company will be able to put Londoners in Port Stanley probably within an hour of their leaving the city.

The completion of the trolley line was a matter of special satisfaction to two of the members of the party enjoying yesterday's trip. These were President Fred G. Rumball and Mr. A. E. Welch. To the indefatigable energies of these gentlemen is largely due the existence of the road to-day, and it will be with a good deal of pleasure that the public will learn that the road is already upon a paying basis between London and St. Thomas, with a daily increasing traffic. That the extension of eight miles from St. Thomas to Port Stanley will be an even better proposition from the standpoint of the fare box is anticipated.

A large contingent of St. Thomas city councillors and officials was picked up en route, and on arrival at the lakeside the guests of the company were entertained in a handsome manner. At Port Stanley the health of President Rumball, the officers of the railroad and the success of the road itself was enthusiastically toasted, and the occasion proved one of much interest.

Among those who spoke to the toasts were Mayor Lawrence, Aldermen Meehan, McCully and Day and City Clerk Doherty. Representative men from Yarmouth and Port Stanley also spoke. Messrs. F. G. and H. M. Rumball and Welch replied for the company.

The return trip was likewise made in good order. The road passes through some of the most beautiful stretches of country in Western Ontario, and is bound to be largely patronized if for no other reason. The cars are magnificently equipped and the roadbed is remarkably smooth, enabling the cars to attain a speed of 30 miles an hour without inconvenience to the passengers.

Among the guests of the company on the inaugural trip were Mayor Lawrence, Aldermen McCully, Chant, Guest, M. D. Meehan, Geddes and Day, Assessor J. P. Freek, Police Magistrate Glenn, City Treasurer Perry, City Clerk Doherty, City Engineer James A. Bell, F. M. Griffin, John Doherty, Henry Roe, Manager Balsden, of the St. Thomas Street Railway, R. H. McConnell, E. A. Horton and Charles Love, all of St. Thomas, Robert Arkell, London; Dr. Routledge, Lambeth; W. G. Mills, Yarmouth, and James MacKenzie, of Union.

General Manager Mowbray, of the Traction Company, was in charge, and to him was due in large measure the pleasure of the occasion. Mr. George Northcott, superintendent, saw to it that the run to the lake and the return was made without delays and in fast time.

BATTLES WITH RAT

Bites Through Sailor's Boot and Holds on Like Dr.

Associated Press Despatch.
LONDON, Oct. 29.—A remarkable story of a man's fight with a rat comes from Hollywood, Belfast.

The brute, which was as big as a good sized dog, and has been known to frequent the Rio de la Plata, sprang from the clump of grass and made a fierce onslaught on the man.

This was met with a well directed kick, but it dashed at him again, and this time sank its teeth through his sea boots minutes before the sailor was able to get away.

It is thought that the animal was brought to Belfast in a trading vessel.

FORMS NEW LAKE

Curious Result of Big Landslide in France

Associated Press Despatch.
AUBENAS, Ardeche, Oct. 29.—A serious landslide has occurred in this part of central France. A hill, facing the base of the mountain, suddenly began to move, carrying everything before it. Nearly 25,000 cubic feet of earth are in motion, and 218 yards of high road and two bridges have been already swept away.

A brook and a river have been dammed, and an enormous lake is being formed. The landslide is believed to be due to the percolation of subterranean springs. Engineers are actively endeavoring to prevent a serious disaster.

NO REDUCTION

Pennsylvania Railroad Company Will Keep on Full Force

Associated Press Despatch.
PHILADELPHIA, Oct. 29.—Rumors that the Pennsylvania Railroad Company would lay off between 20,000 and 30,000 men was today denied by high officials of the company. In view of the fact that the traffic for October is eleven per cent greater than for the same month last year, while the market movement for the month will be the largest in the history of the company, no reduction in the force will be practical.

Supt. Harness a Man of Many Parts

Owen Sound Sun Tells Amusing Story of House of Refuge

OWEN SOUND, Oct. 29.—Referring to the report of the grand jury on House of Refuge affairs, The Sun says:

"The superintendent appears to have been running things with a pretty high hand. An instance in point has come to our notice. Last April one of the inmates broke one of the rules—was in subordinate. For the offence he was condemned to three days' close confinement on bread and water diet. But this was not all. He had infringed by law No. 614 of the County of Grey by disturbing the peace of the female inmates of the House of Refuge. So Thos. Harness, superintendent of the House of Refuge, was charged with the breach. Before whom? Before Thos. Harness, Esq., one of his majesty's justices of the peace in and for the County of Grey! On the 15th day of April, 1907, Thos. Harness, Esq., J. P., hears the case, Thos. Harness, superintendent, prosecuting. Harness, J. P., finds the prisoner guilty, and imposes a fine of one dollar, with six dollars' costs; in default of payment, twenty days in jail. No return of the conviction appears to have been made to the clerk of the peace. One sees from this that Mr. Harness is a man of many parts. Indeed, he seems to have solved the problem of being in two places at once—at the bar and on the bench. We give this story without comment—comment is needless. It is correct throughout; we have the best of vouchers."

UNPOPULAR IN PARIS

Alfonso of Spain Too Friendly With Germany

Associated Press Despatch.
PARIS, Oct. 29.—The Spanish foreign minister spent ten days in Paris without paying the customary courtesies to President Fallieres. French official circles commented bitterly upon this and subsequently it was arranged that the King and Queen of Spain should visit London and Berlin, meeting the German emperor in the first place.

At first Alfonso was popular in France on account of his boyish enthusiasm and democratic manners. But now French hearts are chilled toward Alfonso.

His coquetting with Germany may get him a reception similar to one his father got when he was hooted from the railway station to the Elysee palace by a Paris mob.

NO CAUSE FOR ALARM

Agreement Between Canada and Japan to be Arranged

LONDON, Oct. 29.—Japanese opinion, which finds expression in the press here, declares that the day is past when there is any need for anxiety with regard to the immigration question in British Columbia.

There can be no doubt, it is stated, with both parties to the agreement working harmoniously, there would be little difficulty in coming to an agreement suitable to both countries.

There Would Have Been Fun Had They Known of This

The victory of the arts and divinity students over the medicals at the annual field sports last Friday afternoon were celebrated last night on the college campus, when the whole student body gathered around a monster bonfire and all the prominent athletes were called upon for speeches. Refreshments were served and a jolly evening spent.
