KILBANE LOSES TO GEO. CHANEY

Featherweight Champion Soundly Beaten—Reich Quits to Tom Cowler

Jersey City, N. J., Dec. 29.—Young Chaney of Baltimore outfoxed and outpointed Johnny Kilbane the featherweight champion, in an eight-round bout here tonight in the opinion of a majority of the New York morning news paper writers. Chaney weighed 122 pounds and the champion 125. The Baltimore boxer took the aggressive at the start, and although not as clever as Kilbane, often sent in blows so fast that the titleholder was frequently forced to clinch. Chaney took the first, third, fourth and seventh rounds and Kilbane the second, and eighth. The fifth and sixth were even.

The best blow Kilbane landed was in the second round, when he placed a right smash to the left eye. In the last round Kilbane tried to score a knockout, but Chaney fought back hard. Jeff Smith of Bayonne knocked out Jack Coyne of Orange, N. J., in the second round. Smith weighed 157 and Coyne 155. In a scheduled eight-round bout Tom Cowler, the English heavyweight, won in the third from Al Reich of New York who was disqualified when his seconds sprayed him with water while on the canvas. Cowler weighed 212 pounds and Reich 208.

Reich did well for a minute of the first round, but took the defensive thereafter. He was floored twice in the second round, the first being a right uppercut to the head. In the third round he was down from a light jush blow.

Gene Tunney, light heavyweight champion of the American Expeditionary Force, scored a knockout over Bog Pearce of Chicago in the second round of their eight-round match. Tunney weighed 175 pounds and Pearce 169. The bell saved Pearce in the first round, when he was down from a right uppercut to the head. In the second round he was down from a right uppercut to the head. In the third round he was down from a right uppercut to the head.

Illness prevented Harry Greb of the United States Navy from meeting Augie Ratner, the American Expeditionary Force middleweight champion.

JIMMY WILDE IS MATCHED.

Will Box Asher Jan. 8.

Jimmy Wilde is to box "Babe" Asher, of Milwaukee, in St. Louis, 8 rounds, on Jan. 8. Wilde is to get \$5,000. Asher is to make 116 pounds weight. It is a chance for the little Welsh wizard to redeem himself. Asher was in the American army. Madden has backed away from the Levinsky bout at the Arena. New Year's afternoon, and "Wild Bent" Kenny has been substituted for the United Veterans' League show. He fought Dempsey ten rounds two years ago, and has a decision over Levinsky.

Benny Leonard, the lightweight champion, engaged in 25 bouts, big and small, this year, the total gates aggregating \$500,000, with Leonard's share approximately \$200,000.

"Duke" McCurry turned out with De La Salle yesterday, and his presence put a bit of life into the work-out. McCurry will play for Toronto Canoe Club juniors this season.

The Hamilton Tigers are anxious to secure "Goldie" Progers as coach, but to date the well-known professional player has not accepted terms.

Jack Walker, the hook check expert, has been elected captain of the Seattle team in the Pacific Coast League. Foyton and Rowe were nominated for the position, but dropped out when Walker's name was mentioned.

referee. He was appointed on Saturday by Secretary Billy Hewitt on the recommendation of Manager Sammy Manson and Secretary "Dug" Chalmers of Tigers. Hamilton Herald:—Mickey Roach doesn't mind the bumps landed out by the professionals. They're not one bit harder than those doled out by Bill Box, Danny Breen and several other amateurs whom he competed against last year while a member of the Hamilton amateur champions. Al McCaffery is showing grand form at the Parkdale practice, and he bids fair to have a successful season as he did with Crescents two years ago. Last season McCaffery was not at his best, and failed to play as well as expected. He will play defence for the Paddlers in the opening game at Kitchener on Friday night.

During an important football match in England recently a fog came in. It became so dense that the referee had to stop the game and the teams went to their dressing-rooms. Inside, one team discovered that its goal-keeper was missing. A search party was formed and armed with a lantern, ventured on the field. And they found the goal-keeper still on duty, quite oblivious of the fact that the match had been abandoned.
