At a law of Nature bows the necessity of keeping blood pure so that the system shall be strong, healthy and vigorous.

It consists of a tri-weekly mixed and as a consequence the freight congested and the capabilities of the system are overtaxed.

Rally in Vancouver

Conservative Meeting Crowded in Spite of the Rainy Weather.

Torchlight Procession Escort Speakers Through Streets Amid Great Enthusiasm.

Liberal Gathering on Friday Evening a Decidedly Cold Affair.

Special to the Colonist.

Vancouver, Nov. 24.—The city hall was crowded to-night at the big Conservative rally. The speakers of the evening were Sir Charles Hibbert Tupper, the Hon. Clarke Wallace and the Conservative candidate for Burrard, Mayor Garden.

Shortly before 8 o'clock a procession was formed at the central committee rooms. The large number of citizens composing the parade proceeded to the Hotel Vancouver, and escorted the speakers through the principal streets of the city to the committee rooms, where the speeches were at once commenced.

Mayor Garden, in a brief speech, referred to Mr. Maxwell's dismal failure in the election, and expressed his opinion that the race cry started by Liberals in the city was probably the company will build a light railway along the bank of the Chase river and on the route of the old No. 3 track to Nanaimo.

Greatest in leavening strength, a spoonful raises more dough, or goes further. Working uniformly and perfectly, it makes the bread and cake always light and beautiful, and there is never caused a waste of good flour, sugar, butter and eggs.

NOTE—Many mixtures, made in imitation of baking powders, are upon the market. They are sold cheap, but are dear, at any price, because they contain alum, a corrosive poison.
