## From Experience.

The meeting was in full swing and  
the Suffragist speaker was holding  
forth in a valiant manner on behalf of  
her cause.

"Yes, she cried, 'women have been  
wronged for ages. They have suffered  
in a thousand ways.'

"There is one way in which they  
have never suffered," said the meek-  
looking man in the rear.

"What way is it?" demanded the  
Suffragist.

"They have never suffered in sil-  
ence!" was the sad reply.

## HISTORICAL CHURCHES IN

CANADA.

Everyone interested in church history  
should read the article by Madge  
Macbeth in the August Canadian  
Magazine entitled "Historical Churches  
in Canada." While Mrs. Macbeth  
sketches the foundation of  
Christianity in Canada and traces its  
progress down to recent times, her  
article is instructive and very inter-  
esting. To Quebec Province natu-  
rally attaches most of the early events,  
but Nova Scotia, New Brunswick and  
Ontario have their share, and the re-  
cord comes down late enough to em-  
brace the old church at Bath, Ontario,  
and the Mohawk (Indian) church at  
Brantford.

Sheep On Every Hill Side In  
New Brunswick

The New Brunswick Government through the Department of Agriculture has arranged  
with the Chartered Banks to help the Farmers—where assistance is needed—to  
buy Sheep.

The Department will not only arrange to buy Sheep FOR the Farmers,  
but will also buy good breeders FROM the Farmers—in other words,  
this branch of the Agricultural Department WILL SUPERVISE  
ALL PURCHASES AND SALES OF SHEEP.

IF A FARMER NEEDS CREDIT TO BUY SHEEP he should  
consult his local banker who has the necessary forms.

If you cannot buy sheep in your locality, inform the nearest banker who will notify the Agri-  
cultural Department, or, better still, notify the Department yourself and say how many  
Sheep you want.

## KEEP YOUR EWE LAMBS

Every Ewe Lamb, weighing 80 pounds and over and of reasonable quality, should be retain-  
ed by farmers for breeding purposes. Sell the males and the inferior females for butcher pur-  
poses. If you have more ewe lambs than required, induce your neighbor to purchase.

## THE VALUE OF WOOL

Unwashed Wool of the best quality brought 80 cents a pound this spring, or about \$5.00 a  
fleece.

## SIXTY MILLION SHEEP

Have been lost in Europe since the war started. Wool in enormous quantities is now required to  
re-clothe the returned men in civilian dress. Prices will likely be high for ten years.

New Brunswick has the pasture, hay, root and a climate suited to Sheep. Every farmer  
should consider investing in a small flock as a foundation. The first year will give approximately  
\$4.00 worth of wool per sheep, the sheep will cost about \$15.00. Is it not a good business propo-  
sition?

If you cannot purchase locally, place your order with your banker. Orders will be filled,  
if possible, in the order filed at this office through the banks.

J. A. TWEDDALE,  
Minister of Agriculture.

Devonshire.

## PROCLAMATION

GEORGE the FIFTH, by the Grace of God of the United Kingdom of  
Great Britain and Ireland and of the British Dominions beyond the  
Seas, KING, Defender of the Faith, Emperor of India.

To all to whom these presents shall come or whom the same may in any  
wise concern,—GREETING:

A Proclamation of conditional amnesty respecting men belonging to  
Class 1 under the Military Service Act, 1917, who have disobeyed our  
Proclamation of 13th October, 1917, or their orders to report for duty,  
or are deserters or absent without leave from the Canadian Expedi-  
tionary Force.

E. L. NEWCOMBE, WHEREAS consider-  
able numbers of men

belonging to Class 1 under our Military Ser-  
vice Act, 1917, called out on active service in  
our Canadian Expeditionary Force for the  
defence of Canada under our Proclamation  
of 13th October, 1917, although they have thus  
become by law deserters or absent without leave from  
the Canadian Expeditionary Force.

Have failed to report for duty as lawfully  
required of them under the said Military Ser-  
vice Act and the regulations thereunder, in-  
cluding the Order in Council duly passed on  
April 20 last.

Or have deserted.  
And have absented themselves without leave  
from our Canadian Expeditionary Force.

And it is represented that the very serious  
and unfortunate situation in which these men  
find themselves is due in many cases to the  
fact that, notwithstanding the information and  
warning contained in our Proclamation afore-  
said, they have misunderstood their duty or  
obligation, or have been misled by the advice  
of ill-disposed, disloyal or seditious persons.

AND WHEREAS we desire, if possible, to  
avoid the infliction of the heavy penalties which  
the law imposes for the offences of which these  
soldiers have thus been guilty, and to afford  
them an opportunity within a limited time to  
report and make their services available in our  
Canadian Expeditionary Force as is by law  
their bounden duty, and as is necessary for the  
defence of our Dominion of Canada.

NOW KNOW YE that we in the exercise  
of our powers, and of our good will and  
pleasure in that behalf, do hereby proclaim and  
declare and cause to be published and made  
known THAT THE PENALTIES OF THE  
LAW WILL NOT BE IMPOSED OR  
EXACTED as against the men who belong  
to Class 1 under our Military Service Act,  
1917, and who have disobeyed our Proclama-  
tion of 13th October, 1917, or who have received notice  
from any of our registrars or deputy registrars  
to report for duty on a day now past and have  
failed so to report; or who, having reported  
and obtained leave of absence, have failed to  
report at the expiry of their leave, or have  
become deserters from our Expeditionary  
Force, PROVIDED THEY REPORT FOR  
DUTY ON OR BEFORE THE TWENTY  
FOURTH DAY OF AUGUST 1918.

AND WE DO HEREBY STRICTLY  
WARN AND SOLEMNLY IMPRESS  
UPON ALL SUCH MEN, and as well those  
who employ, harbour, conceal or assist them  
in their disobedience, that, if they persist in  
their failure to report, absence or desertion  
until the expiry of the last mentioned day,  
they will be pursued and punished with all the  
rigour and severity of the law, SUBJECT TO  
THE JUDGMENT OF OUR COURTS  
MARTIAL WHICH WILL BE CON-  
VENED TO TRY SUCH CASES or other  
competent tribunals; and also that those who  
employ, harbour, conceal or assist such men  
will be held strictly accountable as offenders  
and subject to the pains, penalties and forfeit-  
ures in that behalf by law provided for their  
said offence.

Provided however that nothing contained  
in this Our Proclamation is intended to release  
the men aforesaid from their obligation to  
report for duty as soon as possible, or to grant  
them immunity from arrest or detention in the  
meantime for the purpose of compelling them  
to perform their military duty; Our intention  
being merely to forego or remit the penalties  
heretofore incurred for failure to report,  
absence without leave or desertion incurred by  
those men of the description aforesaid who  
shall be in the proper discharge of their military  
duties on or before the said twenty-fourth day  
of August, 1918.

Of all of which Our loving subjects and all  
others whom these presents may concern are  
hereby required to take notice and govern  
themselves accordingly.

IN TESTIMONY WHEREOF, We have caused these  
Our Letters to be made Patent, and the Great Seal  
of Canada to be hereunto affixed. Witness Our  
Right Trusty and Right Entirely Beloved Cousin  
and Counsellor, Victor Christian William, Duke of  
Devonshire, Marquess of Hartington, Earl of  
Devonshire, Earl of Burlington, Baron Cavendish  
of Hardwick, Baron Cavendish of Kilgilt, Knight  
of Our Most Noble Order of the Garter, One of  
Our Most Honourable Privy Council, Knight  
Grand Cross of Our Most Distinguished Order of  
Saint Michael and Saint George, Knight  
Grand Cross of Our Royal Victorian Order, Gov-  
ernor General and Commander-in-Chief of Our  
Dominion of Canada.

At Our Government House, in Our City of OTTAWA,  
this FIRST day of AUGUST, in the year of Our  
Lord one thousand nine hundred and eighteen, and  
in the ninth year of Our Reign.

By Command,  
Thomas Mackay,  
Under-Secretary of State.
