

Hearing the new Edison

## Blue Amberol Records

is more convincing than hearing about them

In tone production lies the real test of any record. The Blue Amberol is the clearest, sweetest, most lifelike record that has yet been made.

But it is more. It is practically unbreakable. A fall from the table won't smash it. And it is so sturdy that the results of the thousandth time you play it are as perfect as the first.

Ask your dealer to let you hear them.

One day his grandmother said to him: "Georgie, you are going to school with sister this winter, aren't you?"

"No, Grandma, I can't read, nor I can't write, nor I can't sing, and I'd like to know what good I'd be at school."

A union butcher workman was suing a packing firm to recover damages for injuries sustained in a Kansas City establishment. A colored laborer in the plant was called as a witness.

"Did you work with Jones, the plaintiff?"

"Yassah."

"Do you know the foreman and the other officers of the plant?"

Montreal, Feb. 19.—The Duke of Connaught, accompanied by Captain Rivers Bulkely, yesterday, visited the C. P. R. Angus shops, and made a systematic inspection. ### What Followed a Cut

A Magistrate's Wonderful Experience With Zam-Buk

Mr. J. E. Aseneau, a Justice of the Peace, and station master at Wellington, on the Prince Edward Island Ry., has had a wonderful proof of the healing power of Zam-Buk. He says:

"Four years ago I had an accident. I slipped in the station and fell on a freight truck, sustaining a bad cut on the front of my leg. I thought this would heal, but instead of doing so it developed into a bad ulcer and later into a form of eczema which spread very rapidly and started on the other leg. Both legs became so swollen and sore that I could only go about my work by having them bandaged. My doctor said I must stop work and lay up."

"After six months of this trouble I consulted another doctor, but with no better result. I tried all the salves, liniments and lotions I

"This was my condition when I got my first box of Zam-Buk. Greatly to my delight that first gave me relief—I continued to apply it to the sores, and day by day they got better. I could see that at last I had got hold of something which would cure me, and in the end it did."

It is now over a year since Zam-Buk worked a cure in my case, and there has been no return of the eczema or any trace of it."
