mit to an era of wholesale evictions Apparently a bad time is coming for hoth landlords and tenants. If the judicial rents are reduced, the evil will be correspondingly modified, but nothing the Public Works Department, Frederic-less than a reduction of some of the ton, for the very interesting series of rents to zero will prevent evictions.

No Hope for Secessionists.

The Nova Scotia secessionists cannot take much comfort out of the recent statement in Parliament, of Earl Stanhope, Colonial Secretary, who said that, "Her Majesty's government have no power to alter the terms of the British North American Act, 1867, which was writes with the style and finish of a prosettled with the assistance of delegates from Nova Scotia, and was subsequently approved by the legislature of that province. I may add that I have every confidence, that the Dominion Parliament will desire to redress as far as pos sible, any reasonable grievances of which

a Province may complain." This will be unpleasant news to Field ing and Longley, who expected to make at least a trip to England out of their proaching general elections. "Mr. senseless agitation. They will have to go to Ottawa, instead of Downing street. Wood" said he, "is likely to have a

Startling Criminality.

Scarcely a day passes without the wires bringing the news of defalcations and embezzlements among American financiers. The shock succeeding the thoroughly in earnest, and besides, he is announcement of Gould's infidelity to a Deacon, and would not lie.

his public trust at Portland, Maine, has scarcely subsided, before the financial worlds shudders at the startling criminality of George M. Bartholemew, at Hartford, Connecticut. Bartholemew was President of the Charter Oak Life Insurance Company of that city, and one of its best known business men. It is said that the amount of his defalcations will reach two million dollars, and they affect at least a dozen corporations with which he was intimately associated. THE IRISH CONSTABILIARY And its Composition Religiously.

Some interesting information with regard religion is to be taken into account in these Already operations have been commenc-ed at the mine on a somewhat limited
