Fagged Out.—None but those who have become fagged out know what a depressed, miserable feeling it is. All strength is gone, and despondency has taken hold of the sufferers. They feel as though there is nothing to live for. There, however, is a cure—one box of Parmelee's Vegetable Pills will do wonders in restoring health and strength. Continuing, he said that yesterday concluded the year's sport except that a matinee might be given in the fall. The attendance exceeded that of the preceding day by a faw hundred. There were no mishaps and everything passed off as smoothly as possible. The night's rain laid the dust and made the track somewhat heavy. On this account Hattie Hawthorne's performance in the Free-for-All mile in 2.234 may be considered a phenomenal one. Blackstone won the heat left over in the unfinished race. Hattie Hawthorne captured the half of the \$700 purse in brilliant style, and Jim Crack did not permit a heavy fall of rain after five heats had been trotted in the last race to bother him in the least.
