TORONTO.

Toronto, July 31.—The run at the City Cattle Market today was 51 loads, with 713 head of cattle, 340 sheep and lambs, 400 hogs and 150 calves. The hot weather seems to have fairly struck the meat trade, with the result usual at this season of the year, a very dull cattle market. Butcher cattle prices are down at the City Cattle Market this week fully 25 per cent, from the prices of a week or ten days ago. There was but a light run at the market today and consequently prices were not so badly hit as they might have been had there been a very heavy run. The quality of the cattle just now coming in is not of the best, choice butcher cattle, in fact, being scarce. A few choice butcher cattle sold at \$4.25 to \$4.40, and one or two picked here and there at \$4.50, but after these the market was very slow and prices off. The demand for export cattle is also very light, and not many of these were in the market to-day. One or two loads of light export were in and sold up to \$4.10. Loads of choice heavy cattle are quoted steady at around \$5. The demand for stocks is still light, and only a few of very good quality are at all sought for. The sheep market is steady at last week's quotation. The hog market is unchanged and firm at recent advance. One firm quotes them at \$7.90 and \$7.65, and another firm at \$8 and \$8.25. Export—Market easier for the quality offering at \$4.60 to \$4.90; medium export, \$4.50. Heavy feeders—Good and heavy feeders at \$4 to \$4.25. Butchers—Market weaker except for a few of extra choice quality; choice picked butcher's cattle, \$4.25 to \$4.50; medium heavy butchers at \$3.65 to \$4.20; mixed lots and cows at \$1.75 to \$3.50; fat cows, \$3.30 to \$3.50. Light stockers—Market very dull, \$2.25

to \$3.25, Sheep and Lambs—The market is steady at \$4 to \$4.40. Spring lambs firm at 7½ to 7¾. Calves—Market steady but slow; prices range from \$3.50 to \$6 each. Hogs—Market firm; selects, \$7.90; lights and fats, \$7.65. Milch cows—Market a little firmer, but with a wide range, from \$20 up to \$50. Bolts Burn Barns.

Forest, July 30.—A destructive electrical storm passed over this section at 10 o'clock yesterday morning.

It lasted only a few moments, but did considerable damage in that time. Lightning struck several places, and a stable belonging to E. Elliott, valued at \$250, was burned.

The barns and other outbuildings on Andrew Rae's farm, Plympton, with their contents, were also burned. The loss was \$2,200, and insurance \$700.

S. Wall, of Plympton, had his stable burned. Loss, \$250; insurance, \$175.

A barn on D. D. Brodie's farm, in Warwick, was also burned. The loss was \$375, and insurance \$150.

All the insurance was in the London Mutual Co.

Remarkably Narrow Escape.

Mr. Joseph Siddall, of Moss, experienced a narrow escape in the hay field on Friday last. As it was he received painful injuries. Mr. Siddall was driving a two-horse hay rake and in making a turn at the end of the field the neckyoke came off the tongue, throwing him off the seat onto the heels of the horses. The team started to run away, but Mr. Siddall fell with one line under him which turned the horses into the fence where the centre reins caught on a rail, thus preventing the team getting away. By this time Mr. Siddall was under the rake, one tooth of which had passed through a portion of his scalp, pinning him to the ground. Mr. Siddall tried to release himself by lifting the rake tooth, but was unable to do so and had to pull himself free by having the tooth tear through the scalp. Help had arrived by this time, and Dr. McLachlan was sent for, who dressed the injuries, which included several minor cuts and bruises. Mr. Siddall is again able to be about.

Forged Check Swindle.

St. Thomas, July 26.—A forged check was passed on Mr. S. A. Crawford yesterday. The passer of the check used the same old game. He was apparently a farmer, and went into the store and purchased \$14 worth of binder twine, presenting a check on the Dominion Bank, purporting to be signed by Mr. F. E. Ross, a farmer near Pingal. The man was given \$4 in change, and left, saying that he would call for the twine, but unlike the cat, he never came back. When the check was presented at the Dominion Bank, the teller refused to cash it, recognizing that it was not Mr. Ross' signature.

Destruction at Parkhill.

Parkhill, July 30.—The barns of John Chisholm, just south of Parkhill, were destroyed by lightning yesterday, along with 50 tons of hay and some live stock. James Patton lost a fine cow by lightning yesterday.

The storm was severe, the lightning vivid and the rain poured down in torrents. The churches were deserted.

Peter H. Clark, one of Sarnia's oldest residents, died last week, aged 81.
