structional Iron and Steel Work

WE READ AND INDEX

In our offices daily the Principle
**Engineering and Technical Journal and
Proceedings of Engineering Societies**
of the world, and can furnish particulars of all articles of
importance that have been written on any Engineering
or technical subject.

THE TECHNICAL INDEX

PUBLISHED IN ENGLISH AND FRENCH.

Carefully classified according to speciality appears
Monthly (since April 1903,) and contains the title, with
concise explanation when necessary, of all the articles of
importance appearing in the engineering journals, as
well as the titles of the various new books published
on engineering subjects. It has already recorded
60,000 articles of interest.

THE TECHNICAL INDEX supplies its sub-
scribers with copies of articles on any engineering
question.

Inquiries in any language promptly
attended to.
