### The Ansonia, \$1.00.

Everyone wants one of these low price correct timekeepers known as the Ansenia, \$1.00.

Most popular priced watches have one of two faults, either they are too clumsy, or if neat and small they won't keep time. To produce a thin medel watch similar in appearance, shape and size, to the highest priced watch, also to guarantee it to keep accurate time and supply it at a popular price, that was the problem. Here is the solution:

This watch is the popular medium or 16 size in the new thin model, of which the above illustration is an exact representation. Each watch is backed by the maker's guarantee of accuracy, endorsed by this store, same as for the highest

priced watches. Repairing this watch is made easy when necessary, as all parts are made by automatic machinery at the rate of thousands per day, so that any part can be replaced and fitted without trouble. This watch is specially suited to mechanics, sportsmen, and those engaged in rough work, because it is made especially to withstand hard knocks. The finest and highest priced watches can do no more than this watch, namely, keep time, wear well and look well. A guarantee sent with each watch for one year from date of sale. Money back if not satisfied. Delivered to any address in good order on receipt of price, .....\$1.00.
