Subscription Premiums.

Any paid up subscriber will receive 25 cents commission on each yearly subscription sent at \$1.00. And anyone not now a subscriber, by becoming such, can get up clubs on same terms.

Through the voluntary kindness of a few of our best breeders, we are enabled to offer the following inducements:—

I hereby offer to the person first obtaining from this date twenty new subscribers to your POULTRY REVIEW at one dollar each, one pair of B.B.R. Games, to be delivered after 1st October next. They will be from my prize winning pedigreed pair, "Mr. Henry" and "Jenny;" score of cock, 92½ hen 93.

Yours truly,
W. H. RICHEY.

Halifax, N. S., May 23rd.

I will give one setting of eggs, Brown or White Leghorn, to the person that sends you five yearly subscriptions to the Review; and a fine pair of Brown or White chicks,—to be delivered about October 15th, 1879—to the one that sends you 15 yearly subscriptions at \$1 each.

Yours truly,
W. STAHLSCHEMIDT,
Preston, Ont.

For every five new subscribers at \$1.00 each I will give one setting of eggs from any variety I breed except Black Hamburgs.

SHARP BUTTERFIELD,
Sandwich, Ont

Permit me to offer a pair of Buff Cochins, from Mr. P. Breiding's stock, and very nice birds too, to any one getting up a club of twelve yearly subscribers to Review, at \$1.00 each. Birds to be shipped at any time after September 1st 1879.,

S. SPELLETT,
Lefroy, Ont.

Mr. W. STAHLSCHEMIDT has reduced the price of eggs for hatching. See his "ad."

Mr. George Hope, lately of Port Hope, is settled in his new home. See his "ad."

Mr. A. W. Bessey, of St. Catharines reports 47 chicks out of 48 eggs set.

A correspondant reports a clear profit of \$8.75 per month on poultry, and that in a city too, where all fed is bought;—cash receipts \$11.00 expenses \$2.25.

In answer to the desire expressed by some of our correspondents to hear from Sharp Butterfield in REVIEW, he begs to be excused for a short while, "as having about fifty letters per week to answer, after working 14 hours per day," he finds he has on hand about all he is able to attend to at present.

The prize list of the Central fair Hamilton, is out, and shows that the fanciers of that section are fully alive to the interests of the poultry department, the premiums being largely augmented by valuable specials. We hope the fanciers of all sections will follow their example and use their influence to secure to their specialties the recognition they deserve at our shows great and small.

When your day's labor is over take your spade to the chicken yard, turn up the earth, and let your young chickens pick the worms, bugs and tender roots, which they will greatly relish and derive much benefit from. The amusement derived from seeing the little fellows struggle for the food will amply repay for the labor, and the benefit to the chicks will be all profit.

Important Sales of Bantams.

Not content with his already magnificent collection of Bantams, Mr. Wm. J. Way, proprietor of the Queen City Bantam Yards, has lately made some important purchases, as the following will show:

124 Wichester St., Toronto, May 15th, 1879.

I have this day sold to Mr. W. J. Way, of 297 Queen St., West, the following stock of Game Bantams:—1 pair Brown Reds, (imported January 1879), bred by Mr. Entwistle, of Yorkshire, England, and by him exhibited at Islington great Dairy and Poultry Show, where they were awarded the prize cup. One pair Red Piles, and 1 Silver Duckwing pullet, bred by the same gentleman; never exhibited, but strongly recommended by this very noted breeder; "They will rarely be beaten," says he. One pair Black Game Bantams, bred by Mr.
