**AGENTS WANTED** for a strangely fascinating, Powerfully Written, and thoroughly reliable Book.

A Thrilling account of that life in all its phases, WRITTEN BY A CONVICT IN A CONVICT'S CELL, and fully endorsed by responsible and well known citizens. It hits the nail and reveals the horrors of that life under the old system of brutal treatment, starvings, whippings, shamed-faced criminalities with female convicts, mutinies, murders, &c., also the advantages of the new system of kind treatment, lately inaugurated. It is full of soul-stirring incidents and vivid pen pictures, FACTS as exciting as fiction. It is profusely illustrated, is creating a profound sensation, and is sure to prove the great popular, FAST-SELLING book of the season. The reports of agents just commencing indicate this. One just reports 43 subscribers in 2 days, another 61 in 5 days. Circulars, copious extracts and 15 sample engravings sent free; or a bound prospectus of 164 pages for 80 cents. C. F. VENT, Publisher, 38 West Fourth Street, Cincinnati, O. 10-11.
