WHOLLY uncalled for: A dead letter: It's the little things that tell—especially the little brothers and sisters.

THERE is nothing like prosperity to cover faults, and it may be said that money covers more than charity.

ADVICE TO MEN.

During the next few weeks if you can find some business to transact at a distance from home it will save you the unpleasantness of seeing your houses in confusion and your meals spread on the mantle-shelf, and will also give your wives an opportunity of surprising you with one of Jolliffe's New Parlour or Bedroom Suites in point of cost.

WHERE one "man wants but little here below" three others are within calling distance who want all.

"SOME men have so much genius that they can't do anything but sit down in the shade and think about it," says a philosopher.

BE A HERO IN THE STRIFE says America's favorite poet. All very well, Mr. Longfellow, but how can you, when half your time you feel sick, and do not feel well the other half? Men of noblest principles and highest aims find their efforts thwarted by disease. Night-sweats, a hacking cough and other symptoms only too plainly say "consumption." Heed good advice. Try Dr. Pierce's "Golden Medical Discovery" and the bloom of health will return to your cheeks, soundness to your lungs and you will be a hero yet.

THE clergymen having remarked that there would be a fine nave in the church, an old lady whispered that she knew the party to whom he referred.

TEACHER: "Now, Klaus, if I say the father blesses his six children, is that active or passive?" "That is active." "Correct; and what is passive?" "The father was blessed with six children."

IT NEVER FAILS.—Dr. Fowler's Extract of Wild Strawberry will never fail you when used to cure Dysentery, Colic, Sick Stomach or any form of Summer Complaints. Relief is almost instantaneous; a few dose, cure when other remedies fail.

"Did you ever think what you would do if you had the Duke of Westminster's income?" Village Pastor: "No; but I have sometimes wondered what the Duke would do if he had mine."

A PLEASING DUTY.—"I feel it my duty to say," writes John Borton, of Desert, P. O., "that Burdock Blood Bitters cured my wife of liver complaint, from which she had been a chronic sufferer. Her distressing painful symptoms soon gave way, and I can highly recommend the medicine to all suffering as she did."

"Do you think I could mould public opinion?" asked an aspiring young politician of a vetera in the profession. "Perhaps you might," said the other: "some of the stories you introduced in your speech seemed a little mouldy."

A VERY remarkable mineral water has recently been discovered in volcanic formation about 150 miles north-west of San Francisco. It is a hot spring of intense strength, very strong to the taste. F. W. Hutch, M.D., permanent secretary to the Board of Health, San Francisco, says that it is the most remarkable mineral water ever brought to his notice, and the analysis of Professor Pryce, M.D., of the same city, shows at once sulphur, salt, carbonate, alkaline, and slightly ferruginous water. It is known as CASTALIAN. It is said to be an unfailing cure for diseases of the stomach, liver and kidneys and their attendant evils, diseases of the skin and mucous membranes. Nature seems to have provided this remedy at the time it is most needed. Who knows but this is the identical fountain of youth sought for by Ponce de Leon, the Spanish adventurer. It is said to give extraordinary results in the curing of disease and restoring vitality. Mr. Meacham, of the Arcade Pharmacy, 133 Yonge Street, reports daily increasing sales and wonderful cures. It is also on sale at 230 Queen Street West, 732 Yonge Street. The trade can procure it at the Central Depot, 169 Queen Street East.

"THAT reminds me of the way Johnnie thanked his papa for taking him to the circus," said Warsaw. "Now, Johnnie, you had a real nice time this afternoon, didn't you?" "Yes, papa." "Well, what do you say to papa for taking you?" "L-l-let's go again, pa."
