

Calendar Curiosities.

The calendar offers certain curiosities which are little known. The following are a few of them—No century can commence on a Wednesday, Friday, or Saturday. The month of October commences always on the same day of the week as the month of January: February, March and November commence on the same day of the week, whereas May, June and August commence on different days. These rules do not apply to leap years. The ordinary year always finishes on the same day of the week as it commenced. The years repeat themselves—that is to say, they have the same calendar every 28 years.

Among the successful teachers of the Jesuits are two worthy sons of two distinguished generals. The Rev. David Buell, S. J., son of Gen. Buell, U. S. A., is a member of the faculty of St. Xavier's College, New York, and the Rev. Thomas Ewing Sherman, S. J., son of the great General, is stationed at Marquette College, Milwaukee.

THE BRIGHTEST FLOWERS must fade, but young lives endangered by severe coughs, and colds may be preserved by DR THOMAS' ELECTRIC OIL. Croup, whooping cough, bronchitis, in short all affections of the throat and lungs, are relieved by this sterling preparation, which also remedies rheumatic pains, sores, bruises, piles, kidney difficulty, and is most economic.

A PROFESSIONAL OPINION.

Dr. Geo. A. Bingham, 64 Isabella street, says: "For several years he has used St. Leon Mineral Water with much success in the treatment of disorders of the digestive tract, more particularly in indigestion and sluggishness of the liver. In renal difficulties incident to the abuse of alcohol it is undoubtedly a most wonderful aid."

ONE BETTER THAN THIRTEEN.

William F. Goetehins, Esq., contractor and builder, office 552 Seventh Avenue, New York City, writes: "I have suffered from dyspepsia for a number of years and was confined to my house for five months. Have had thirteen New York and Mount Vernon doctors (will name them if necessary) attending me but failed to get any benefit. I tried K. D. C. and am pleased to say the effect was magical. I have tried probably every known remedy for dyspepsia, and found none to benefit me, until I took K. D. C. I recommend K. D. C. as the dyspeptic's best friend. Try it and prove what I say."
