

began to use Dr. Williams' Pink Pills, and I heartily recommend them to other sufferers.

Dr. Williams' Pink Pills cure indigestion, rheumatism, neuralgia, locomotor ataxia, St. Vitus' dance, nervous headache and prostration diseases of the blood, such as scrofula, chronic erysipelas, and restores pale and sallow complexions to the glow of health. They are a specific for all the troubles peculiar to the female sex, and in men cure all cases arising from worry, overwork, or excesses. Sold by all chemists and by Dr. Williams' Medicine Co., Brockville, Ont., at 50c. per box or six boxes for \$2.50. There are imitation pills colored pink against which the public are warned. The genuine pills are put up in boxes, the wrapper around which bears the full trade mark. "Dr. Williams' Pink Pills for Pale People." Take nothing else.

EXTRAORDINARY CLEANSER.

If our women readers could only understand what a convenience, economy and thorough cleanser "Pyle's Pearline" is, they would never use anything else. It is pure and free from any injurious ingredient. It is economical because only the requisite quantity is used at a time. While soap may slip from the fingers and be lost in the water to dissolve, Pearline is used only in quantities required. It is better adapted for cleansing round the house than any known article. It is more convenient than anything ever discovered, and it is as suitable for the most delicate lace or the finest linen as for the dirtiest horse-blanket, and it will make either as "clean as a whistle" in short order. All grocers sell it, and if the reader don't know of it she may take our word for it.
