

A LEVEL HEAD.

During the late strike on the New York Central Railroad, the militia were ordered to be in readiness in case of a riot, but they were not called out.

In an interview Gov. Hill said the troops were not to be called upon except in case of an emergency. The emergency had not arisen, therefore they would not be ordered out. He remarked that this was the first great strike with which he had had experience, and he did not propose to lose his head; the only point at which there had been any serious trouble was at Syracuse, and there a deputy-sheriff had lost his head and precipitated an encounter.

The strike continued several weeks, and there was riotous action at various points along the road, but the civil authorities were able to cope with it without calling on the militia.

The test of a man's real ability comes when an emergency arises which makes a hasty call on his good judgment and discretion. The man who retains his presence of mind, maintains his equi-pose and exercise sound discretion at such critical junctures, is to be relied on and will be put to the front.

Men with level heads have the staying qualities which do not falter in the face of danger. Otis A. Cole, of Kinsman, O., June 10, 1890, writes: "In the fall of 1888 I was feeling very ill. I consulted a doctor and he said I had Bright's disease of the kidneys and that he would not stand in my shoes for the State of Ohio." But he did not lose courage or give up; he says: "I saw the testimonial of Mr. John Coleman, 100 Gregory st., New Haven, Conn., and I wrote to him. In due time I received an answer, stating that the testimonial he gave was genuine and not overdrawn in any particular. I took a good many bottles of Warner's Safe Cure; have not taken any for one year.

Gov. Hill is accounted a very successful man; he is cool and calculating and belong to the class that do not lose their heads when emergencies arise.

NOTHING LIKE IT.

MR. JOAB SCALES, of Toronto, writes: "A short time ago I was suffering from Kidney Complaint and Dyspepsia, Sour Stomach and Lame Back; in fact, I was completely prostrated and suffering intense pain. While in this state a friend recommended me to try a bottle of **Northrop & Lyman's Vegetable Discovery**. I used one bottle, and the permanent manner in which it has cured and made a new man out of me is such that I cannot withhold from the proprietors this expression of my gratitude."

WONDERFUL CURES.

FOR THIRTY YEARS.—Mrs. L. Squire, Ontario Steam Dye Works, Toronto, says: "For about thirty years I have doctored for Liver Complaint and Dyspepsia without getting any cure. I then tried **Northrop & Lyman's Vegetable Discovery**, and the benefits I have received from this medicine are such that I cannot withhold this expression of my gratitude. It acts immediately upon the Liver, and its good effects are noticed at once. As a Dyspepsia remedy I don't think it can be equalled."

INDISPUTABLE EVIDENCE.

HARDENED AND ENLARGED LIVER.—Mrs. H. Hall, Navarino, N.Y., writes: "For years I have been troubled with Liver Complaint. The doctors said my Liver was hardened and enlarged. I was troubled with Dizziness, Pain in my Right Shoulder, Constipation, and gradually losing flesh all the time. All food soured on my stomach, even with the closest attention to diet. I was under the care of three physicians, but did not get any relief. A friend sent me a bottle of **Northrop & Lyman's Vegetable Discovery**, and it affords me much pleasure to inform you that the benefit I have received from it is far beyond my expectation. I feel better now than I have done for years."
