

GOLD MEDAL

COLOGNE 1889

Concentrated Vinegar

Manufactured entirely from Grapes.

DOMINION ANALYST'S REPORT.

This is to certify that on analysis of above vinegar I found it a purely 'CONCENTRATED WINE VINEGAR' made from the Grape fruit. Free from mineral acids, metallic substance and alcohol. After dilution with pure water will prove a wholesome and palatable commodity either for table use or pickling purposes. A very important thing not to be lost sight of in using this article is that cleanliness is insured by procuring this vinegar in the concentrated form
