The State Board of Health of Pennsylvania reports:—"The recent Bacteriological showing of the products purchased with the others in a large Drug Store, is an index of the hygienic condition of the cattle and the pains taken in removing the Lymph to keep it aseptic."

The State Board of Health of Tennessee reports:—"Of the different places visited we would recommend the product of three as safe to advocate, and of those three our own choice would be the product of Dr. H. M. ALEXANDER & Co., as being head and shoulders above any similar firm in the United States."
