**THE CENTURY**  
In 1895.

Taking advantage of the general revival of interest in the Great Emperor, THE CENTURY will print during 1895

**A NEW LIFE OF NAPOLEON**

Magnificently Illustrated.

THE CENTURY is famous for its great historical series, and never in its history has a greater one been projected than this new "Life of Napoleon," written by Prof. William M. Sloane, of Princeton, who has spent many years in preparation for his work. Thus far no biography of "the man of destiny" has appeared in either English or French that is free from rancor and attentive to the laws of historical criticism. THE CENTURY HAS SECURED IT—THE GREAT, ALL-ROUND, COMPLETE AND INTERESTING HISTORY of the life of one of the most marvelous of men. No matter how much you already know of Napoleon, you will want to read this;—here is the concentration of all the lives and memoirs. THE ILLUSTRATIONS WILL BE MAGNIFICENT—the wealth of THE CENTURY'S art department will be lavished upon them. Two members of the staff have just returned from Paris, where they have been securing all that is best of Napoleonic material. New portraits will be printed, great historical paintings reproduced, and Castaigne and other modern artists have drawn anew some of the great scenes of Napoleon's life for his history.

In addition to this there will be

A NEW NOVEL BY

**MARION CRAWFORD.**

The title is "CASA BRACCIO," and it is a romance of Italy, full of human passion and exciting episode.

A NEW NOVEL BY

**Mrs. BURTON HARRISON**

will be published during the year. It is called "AN ERRANT WOODING," and is a tale of wandering (and love) among new scenes of travel in Northern Africa and Southern Spain.

**Other Features**

will be several familiar papers on "WASHINGTON IN LINCOLN'S TIME," by Noah Brooks, who was on terms of unusual intimacy with the War President; "THE CATHEDRALS OF FRANCE," by Mrs. Schuyler Van Rensselaer, with illustrations by Joseph Pennell. Many more serials will be announced later.

**RUDYARD KIPLING**

contributes his FIRST AMERICAN STORY to the December number of the CENTURY.

**THE PRICE** of THE CENTURY is \$4.00 a year. "No home is complete without it." Begin subscriptions with November number. Whatever other magazines you may take, you must have THE CENTURY. All agents and dealers take subscriptions, or remittance may be made directly to
