"Berkeley, Sept., 1869.—Gentlemen, I feel it a duty I owe to you to express my gratitude for the great benefit I have derived by taking 'Norton's Camomile Pills.' I applied to your agent, Mr. Bell, Berkeley, for the above-named Pills, for wind in the stomach, from which I suffered excruciating pain for a length of time, having tried nearly every remedy prescribed, but without deriving any benefit at all. After taking two bottles of your valuable pills I was quite restored to my usual state of health. Please give this publicity for the benefit of those who may thus be afflicted.—I am, Sir, yours truly,
HENRY ALLPASS.—To the Proprietors of NORTON'S CAMOMILE PILLS 14-6-52-e2w.

HOLMAN'S STOMACH AND LIVER PAD.
A NEVER-FAILING CURE

For Fever and Ague, Dumb Ague, Remittent, Intermittent Fever, Indigestion, Pain in Shoulders and Side, Periodical and Life Long Sick Headaches, Rheumatism, Liver Cough, often taken for Consumption, Heart Disease not Organic, Kidney Difficulties, Female Weakness, Bilious Colic, Diarrhea, Cold Extremities and Partial Paralysis. It is also a sure Preventive of Yellow Fever, Diphtheria, Pneumonia, Small Pox, Scarlet Fever and all Malarial and Miasmatic Diseases that are developed in blood poison.

TO MALARIAL AND BILIOUS PATIENTS.

We claim that this is the cheapest remedy in the world, as it is the surest, the safest, and the most remarkable. The claim is scarcely open to argument; it is self-evident. But this is why we think so:—
1st. Because the best is always the cheapest, and we challenge medical science to equal this remedy.

2nd. Because in ninety-nine cases out of a hundred a single Pad does the work. We have found a very few old chronic "hide-bound" cases that exhausted the first Pad, and had to get another; but these are rare. With the internal remedies which are usually sold at from one to two dollars, you have only just commenced your expenditure when you have bought the first package. You must take bottle after bottle, or box after box, at your own risk of cure, and with the almost positive certainty of filling your system with poison more to be dreaded in the long run than the disease itself. Absorption is nature's true law.

The Pads cost but \$2.50 and \$3.50, the latter only used in old complicated cases. A single Pad cures in most cases. This places this beneficent discovery within the easy reach of all. Consultations free at the Company's office, 301 Notre Dame street, Montreal; and Lyman, Clark & Co., wholesale druggists, 284 and 286 St. Paul street. All live retail druggists keep them.

This is what Holman's Liver and Stomach Pad is doing. Read the following testimonial: LACHINE, P. Q., July 12, 1877.

HOLMAN LIVER PAD CO.

GENTLEMEN,—I, the undersigned, having been troubled with Dyspepsia for a number of years back, have tried different prescriptions from eminent physicians, but without obtaining much perceptible relief. About one month ago I commenced the application of "Holman's Liver Pad" and am happy to say that since then I do feel a great relief and that I can now digest a few articles of food which I did not dare touch before.
Yours very truly,
O. P. ROBERT.
