MESSRS. FERRIS & Co.,

DEAR SIRS.—About two years ago I was in Philadelphia, and while there I bought one of your Steam Washers, and brought it home to my wife. She has been using it ever since, and is well pleased with it. It does all you claim for it, and every family should have one, for the saving on clothes every few months would more than pay for the machine.

KIDNEY DISEASE.

This cut represents John Rosevear, of Cold Springs. For many years Mr. Rosevear was a victim of a severe form of disease of the kidney, and was told by the medical profession in and around Cobourg he was incurable. He came to Dr. McCully, was put under treatment, and at last was cured. After being cured his family physician malignantly suggested that the disease would return. So we have permitted 2 years to pass since this cure was effected before publication of the case. Another triumph over stupid licensed quackery! By the way! we this week removed by aspiration, three imperial pints of liquid from the chest of Mr. Kennedy, No. 5 Trinity Place. A couple of the east end stupid are implicated in this wretched piece of butchery, and as they have been polite enough to howl "Quack," we will give all particulars at a future stage for the benefit of suffering humanity. We also removed from a lady's thigh 2 pints of matter this week. It was a Femoral Abscess. For six months in the Mill of the Gods, this woman was stretched and tortured for Hip Joint Disease. The men who treated this woman for a disease she never had, are the men who are teaching over three hundred students how not to cure their patients. Remember, Dr. McCully treats all chronic diseases of the human body. Removes all kinds of Tumors, Cancers and Growths, removes dead bone, straightens crooked limbs and every deformity of the body, whether of childhood or maturer years.
