This is to certify that I was for nearly nine months almost helpless with Rheumatism in my arms and  
shoulders. During that time I tried many highly recommended remedies, but all failed to give even tempo-  
rary relief: at last I was induced to try your Electric Belt and Shoulder Appliances which in a few days helped  
me, and after two months wearing the Appliance, I am happy to say, that I am almost well. My case I be-  
lieve to have been a stubborn one, but finally yielded to the treatment, which is simple, without deception or  
humbug. You are at liberty to use this statement in any way you think proper, hoping that it may come to  
the notice of some unfortunate afflicted as I was. You may also refer any one to me who may want more  
particulars about the cure effected by your treatment.

TO THE ORIENTAL ELECTRIC BELT CO.

I desire to thank you for the great benefit received from your Electric Belt. For ten years I have suffered  
untold agony from Nervous Headache and General Debility. My headache came regularly every week, often  
lasting two days, rendering me unfit for business. I have tried every known remedy, and several of the best  
physicians here and elsewhere, but with no relief. After wearing one of your Belts and Head Bands for four  
weeks am happy to say I am like a new man, and my general health is better than it has been for ten years.  
I will gladly give more minute information to anyone who may call on me. You are at liberty to publish this  
above my signature.
